**Note:** As provided for in Section 70.130 you may request the Board of Adjustment (BOA) to grant a variance from the terms of the Zoning Code requirements identified in the letter of deficiency below. Please direct all questions concerning variances, special exceptions, appeals of an administrative official decision, Master Plan Developments Districts (MPD), Planned Unit Developments (PUD), Corridor (CO) zoned districts, zoning changes, platting, lot splits, lot combinations, alternative compliance landscape and screening plans and all questions regarding (BOA) or (TMAPC) application forms and fees to a representative at the Tulsa Planning Office at **918-584-7526** or [esubmit@incog.org](mailto:esubmit@incog.org). It is your responsibility to submit to our office documentation of any appeal decisions by an authorized decision making body affecting the status of your application so we may continue to process your application. INCOG does not act as your legal or responsible agent in submitting documents to the City of Tulsa on your behalf. Staff review comments may sometimes identify compliance methods as provided in the Tulsa Zoning Code. Staff review makes neither representation nor recommendation as to any optimal method of code solution for the project.

**Sec.30.020-C:** The following CDPs remain active and are governed by the terms of the CDP approval granted by the board of adjustment: CDP20, CDP21, CDP22, CDP29, CDP33, CDP53, CDP54, CDP63, and CDP80. Proposed changes and amendments to active CDPs require a public hearing and approval by the board of adjustment.

**Review comment:** You are proposing an Adult Day Care center. This property is in CDP-53. An Adult Day Care is not supported in this CDP. It will require rezoning to a district that will allow this use to be permitted at this location.
