Date: Tuesday, November 10, 2020 11:23:36 AM

I am Ed Schermerhorn, I reside next to the subject property, and we are 100% in favor of the driveway waiver since it will relieve street parking that congregates from the Tulsa Tennis Club and will allow accessibility of Fed X, and Amazon large trucks to deliver without blocking streets, and the applicants are renowned for their excellent projects and quality design that enhances neighborhoods. This is a very deserving exception that will serve our neighborhood well. Thank you,
