### STAFF RECOMMENDATION

**PUD- 417- C**

Sign Plan – St. John Urgent Care; 1717 South Utica; Lots 4-8, 12-13, Block 17, Orcutt Addition; Development Area I; RS-3/OL/OM; PD-6; CD-4

In January of 2002, the City of Tulsa Board of Adjustment approved a variance (BOA-19277) of the provisions of Section 1221.C.4.j to permit directional, warning and building identification signs to exceed 3 square feet of display surface area for the St. John Hospital campus, subject to the approval of such signs by the TMAPC as part of a detail sign plan under PUD 417. Subsequently, TMAPC approved a corresponding minor amendment to PUD 417 (PUD 417-6). The intention of the variance and minor amendment was to permit signage beyond what the code would allow subject to TMAPC review so as to provide sufficient signage for clear direction in a hospital campus environment.

In keeping with this determination, the applicant is now requesting TMAPC approval of a detail sign plan for wall signage related to a new Urgent Care facility within the St. John Hospital campus. The signage is proposed on the south and west walls, with 64.4 square feet and 49.6 square feet, respectively, of display surface area. There is an existing 27 square foot wall sign on the west elevation which would remain.

Staff finds the proposed wall signs to be appropriate for the hospital campus and in accord with PUD 417-6 as approved by TMAPC and recommends **APPROVAL** of the detail sign plan for PUD 417- C as proposed.

## MEMORANDUM

TO: TMAPC MEMBERS

FROM: DANE MATTHEWS, AICP  
ASSISTANT MANAGER, LAND DEVELOPMENT SERVICES

SUBJECT: PROPOSED URBAN RENEWAL PLAN AMENDMENT

DATE: JANUARY 17, 2007

COPIES: JIM COLES, CITY OF TULSA  
PAT TREADWAY, CITY OF TULSA

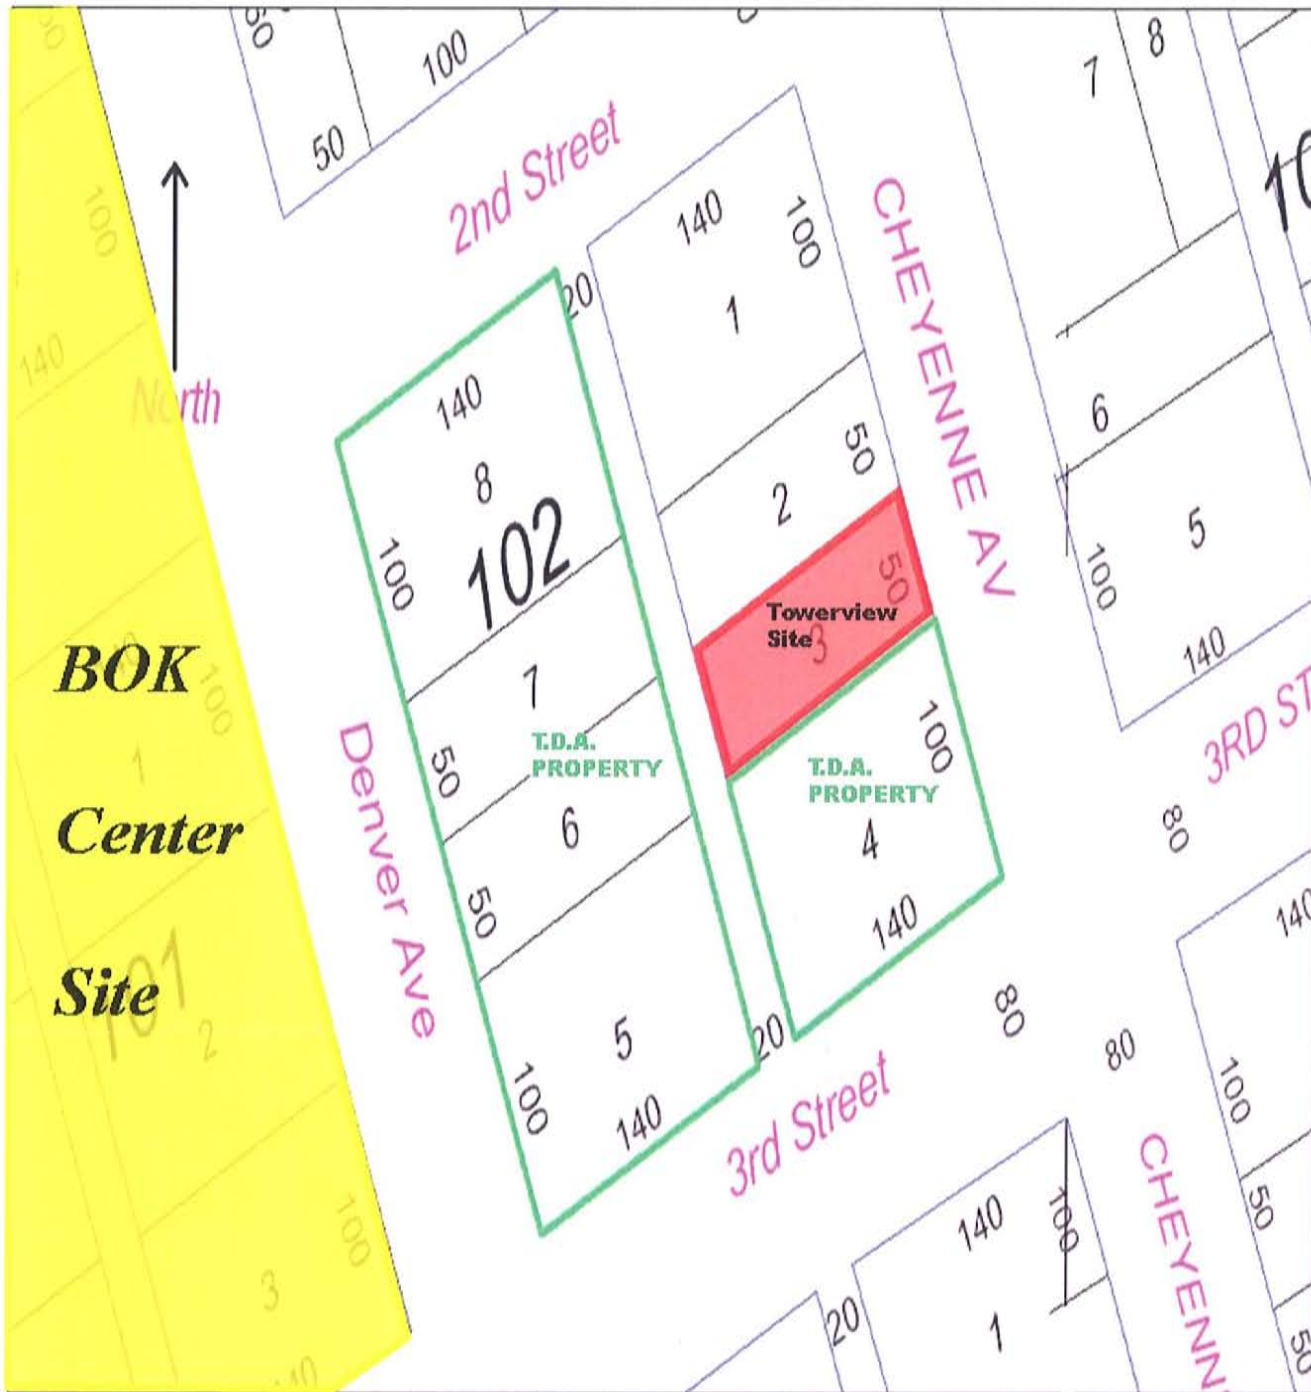

The TMAPC has been requested by the staff of the Tulsa Development Authority (TDA) to review its proposal to acquire the now-vacant Towerview Apartments (north of northwest corner of 3<sup>rd</sup> and Cheyenne) for demolition and redevelopment purposes. This involves an amendment to the adopted Urban Renewal Plan, which is an instrument of the Tulsa Development Authority. The TMAPC's role in review of changes to Urban Renewal Plans, by provisions of State Statutes, is to determine whether or not the changes are in accord with the Comprehensive Plan. In this case, the portion of the Comprehensive Plan that is involved is the District One (downtown) Detail Plan, and all of the downtown is within an Urban Renewal Area.

The District One Plan contemplates and encourages redevelopment by both public and private means. It also recommends use of Urban Renewal powers to revitalize the central business district.

For these reasons, staff finds that the proposed amendment to the adopted Urban Renewal Plan to acquire the former Towerview Apartments in accord with the Comprehensive Plan, and recommends that the TMAPC do likewise.

7.b.1

## URBAN RENEWAL PLAN AMENDMENT

**Property under consideration for Plan Amendment (acquisition)**

**Parcel Information:**

**Legal Description - Lt. 3 Blk. 102, Tulsa Original Town**

**Assessor Number - 005800-9202-35100**

**TDA Parcel Number - 25-99-2**

**RELOCATION PLAN FOR THE  
CONTINUED IMPLEMENTATION OF THE  
URBAN RENEWAL PLAN FOR THE DOWNTOWN TULSA  
INCLUDING THE  
DOWNTOWN NORTHWEST PROJECT  
TULSA, OKLAHOMA**

**INTRODUCTION**

No relocation is anticipated as a result of this acquisition. The building has been vacant for over a year by order of the City of Tulsa due to numerous code and safety violations. Should the building regain occupancy during the acquisition process, all relocation will be done in compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as Amended.

**DESCRIPTION OF PROJECT AREA**

The proposed acquisition is a 50' x 140' rectangular parcel totaling 7,000 square feet. Land improvements consist of a forty (40) unit, 25,728 square foot apartment building constructed in 1922. The legal description is Lot 3, Block 102, Tulsa-Original Town and the physical address is 214 S. Cheyenne W. Avenue. See attached acquisition map for further detail.

**DISPLACEMENT OF RESIDENTS**

As previously stated, no relocation is expected. However, if displacement of residents did become necessary, we anticipate no problems. A recent Rental Survey within the City of Tulsa identified an availability of 468 one (1) bedroom units and 419 two (2) bedroom units. This represents a ratio of available units to displaced units in excess of 20:1.

**TEMPORARY MOVES**

Temporary moves are not anticipated. Temporary relocation will not diminish the responsibility of the Tulsa Development Authority to offer relocation assistance to achieve permanent relocation into suitable replacement units.

**RIGHT OF APPEAL**

Any displacee who feels aggrieved by the determination of the Tulsa Development Authority as to eligibility for, or the amount of, a payment under the current regulations of the Uniform Act shall have the right to have his claim reviewed by a designee of the Tulsa Development Authority.

**ASSURANCES**

Assurances of compliance to the Uniform Relocation and Real Property Acquisition Policy Act of 1970 (P.L. 91-646) as Amended were submitted to the Department of Housing and Urban Development on April 11, 1972.

## STAFF RECOMMENDATION

**PUD: 533-B**

Detail Site Plan – Grizzly Mountain Mercantile; 22623 South 85<sup>th</sup> East Avenue Northeast corner of East Skelly Drive and East 27<sup>th</sup> Street South); CG/PUD; PD-5; CD-5

---

The applicant is requesting approval of a detail site plan for on-site sale and furniture manufacturing facility. The proposed use is in conformance with Development Standards of PUD 533-B.

The proposed building complies with setback, height and floor area restrictions. Proposed parking and site lighting comply with development standards and the zoning code. Net lot landscaped area and streetyard calculations exceed minimum requirements. Sidewalks will be installed along Skelly By-Pass, East 27<sup>th</sup> Street South and South 35<sup>th</sup> East Avenue per City of Tulsa and Subdivision Regulations.

Exhibit 'A' – Revised Conceptual Site Plan for PUD 533-B indicates a 10-foot landscaped strip and a screening fence along the boundaries in common with Lots 4 and 5 of Tri-Center Village. Development standards require that 'A landscaped area of not less than 10 feet in width and a minimum six-foot tall screening fence shall be located along the perimeter boundaries of Development Area 'A-2' of PUD 533.' Lots 4 and 5 of Tri-Center Village are not part of Area 'A-2', but it is clear per Exhibit 'A' – Revised Conceptual Site Plan for PUD 533-B that this is what was intended to properly buffer the existing residential on Lots 4 and 5 from the manufacturing and sales use in Area B-1. Therefore, it is staff's opinion that the 10-foot landscape buffer and six-foot screening fence be provided as indicated in the conceptual plan.

Therefore, staff recommends **DENIAL** of PUD 533-B detail site plan for Grizzly Mountain Mercantile as proposed. However, Staff would recommend approval of the site plan subject to provision of a 10-foot wide landscape buffer and six-foot tall screening fence adjacent to the boundaries of Lots 4 and 5 as indicated in the Conceptual Plan – Exhibit 'A' of PUD 533-B.

*(Note: Detail site plan approval does not constitute landscape and sign plan approval.)*
