FIRST AMENDMENT TO
DEED OF DEDICATION SEQUOYAH HILL II
PUD NO. 709

WHEREAS, on July 10, 2006, one certain subdivision plat and accompanying Deed of Dedication was recorded in the Land Records of the Tulsa County Clerk, as Doc#2006077947, for the following described property, to-wit:

SEQUOYAH HILL II, a subdivision in the City of Tulsa, Tulsa County, Oklahoma, according to the recorded plat as Plat No. 6015

WHEREAS, the Deed of Dedication for SEQUOYAH HILL II, contains certain covenants related to the use, occupancy and enjoyment of the property located within and as depicted on the Plat for SEQUOYAH HILL II, for use as Lots, Blocks, Reserve Areas and Streets.

WHEREAS, one of the Reserve Areas depicted on the Plat of SEQUOYAH HILL II, is described in the Plat as RESERVE B;

WHEREAS, SECTION II. of the Deed of Dedication, PLANNED UNIT DEVELOPMENT RESTRICTIONS, subsection B provides in pertinent part as follows:

“B. OTHER RESERVE AREAS

THE USE OF RESERVE ‘B’ SHALL BE LIMITED TO COMMON AREA LANDSCAPING AND OPEN SPACE, SECURITY FACILITIES AND SUCH OTHER USES AS MAY BE PERMITTED PURSUANT TO THIS DEED OF DEDICATION, INCLUDING BUT NOT LIMITED TO THE USE OF RESERVE ‘B’ FOR UTILITY EASEMENTS PURSUANT TO SECTION 1(A). ....”.

WHEREAS, it is the desire of some of the owners of certain lots in SEQUOYAH HILL II abutting RESERVE B (hereinafter collectively referred to herein as the “Abutting Owners”) to acquire, from time to time, a portion of RESERVE B for their own private use and enjoyment, in order to extend the yards of their residences..

WHEREAS, the owner of RESERVE B has no desire to retain the land comprising RESERVE B and desires to transfer RESERVE B to the Abutting Owners for their own
exclusive, separate and private ownership, use and enjoyment, subject to the terms and conditions contained in the Deed of Dedication, as amended herein;

WHEREAS, in order to accomplish the foregoing it is necessary to amend the Deed of Dedication to revise the uses permitted within RESERVE B to permit single family residential use.

WHEREAS, SECTION VI. of the Deed of Dedication, titled ENFORCEMENT, DURATION, AMENDMENT AND SEVERABILITY at subsection C. titled AMENDMENT, provides in pertinent part as follows:

"... EXCEPT AS PROVIDED IN SECTION II D. MINOR AMENDMENTS ABOVE, THE COVENANTS CONTAINED WITHIN SECTION II PLANNED UNIT DEVELOPMENT RESTRICTIONS, MAY BE AMENDED AT ANY TIME BY A WRITTEN INSTRUMENT SIGNED AND ACKNOWLEDGED BY THE LOT OWNERS OF MORE THAN 65% OF THE LOTS AND APPROVED BY THE TMAPC, OR ITS SUCCESSORS. ANY INSTRUMENT AMENDING THE COVENANTS CONTAINED WITHIN SECTION II, PLANNED UNIT DEVELOPMENT RESTRICTIONS SHALL BEAR THE ENDORSEMENT OF THE TMAPC AND SHALL BE DULY FILED OF RECORD. ...".

WHEREAS, the undersigned Lot Owners desire that RESERVE B no longer be a common area, for use as landscaping and open space, security facilities or other common use, but rather that the use of RESERVE B permit and be limited to single family residential purposes, with individual portions of RESERVE B to become an extension of the yards of the Abutting Owners.

WHEREAS, the undersigned, constituting the owners of more than sixty-five percent (65%) of the twenty (20) lots within SEQUOYAH HILL II, desire to amend the Deed of Dedication to the extent set forth in this Amendment.

NOW, THEREFORE, in consideration of the foregoing, the Deed of Dedication is hereby amended as follows:
1. The term "Lot" as used throughout this Amendment shall mean and refer to (a) a lot as shown on the original Plat of SEQYOYAH HILL II, ("Original Platted Lot") and (b) as such Lot may have be increased in size by virtue of a lot owner’s acquisition of a portion of RESERVE B and approval of a Lot Combination by the Tulsa Metropolitan Area Planning Commission.

2. For purposes of payment of dues, assessments or determining the number of votes to which a lot owner may be entitled, an Original Platted Lot plus any additions to the Original Platted Lot created out of RESERVE B, as reflected in any Lot Combination approved by the, Tulsa Metropolitan Area Planning Commission, shall together constitute but a single lot.

3. Except as amended by this Amendment, the Deed of Dedication and the covenants contained therein are applicable to the Original Platted Lot and the New Lot created out of RESERVE B, as reflected in Lot Splits and Lot Combinations as may be approved by the Tulsa Metropolitan Area Planning Commission, each of which combined lots shall constitute but a single lot together for single family residential use.

4. RESERVE B shall no longer be common area and when a portion of RESERVE B is combined with an abutting lot, such combined Lot shall be used for single family residential purposes. Therefore, the language in SECTION II. PLANNED UNIT DEVELOPMENT RESTRICTIONS, found at subsection B. OTHER RESERVE AREAS, reading as follows:

"THE USE OF RESERVE ‘B’ SHALL BE LIMITED TO COMMON AREA LANDSCAPING AND OPEN SPACE, SECURITY FACILITIES AND SUCH OTHER USES AS MAY BE PERMITTED PURSUANT TO THIS DEED OF DEDICATION, INCLUDING BUT NOT LIMITED TO THE USE OF RESERVE ‘B’ FOR UTILITY EASEMENTS PURSUANT TO SECTION 1(A)”.

shall be deleted, and the following language inserted in its place, to-wit:
“THE USE OF THE REAL PROPERTY COMPRISING RESERVE B SHALL BE LIMITED TO SINGLE FAMILY RESIDENTIAL USE, AS AN EXTENSION OF THE YARD IN CERTAIN ABUTTING LOTS IN THE SUBDIVISION, TO THE LOCATION OF UTILITIES PROVIDED FOR IN SECTION I (A) AND BEING FURTHER SUBJECT TO THE EXISTENCE AND TERMINATION OF RIGHTS IN OTHERS, AS PROVIDED FOR PURSUANT TO THAT CERTAIN LICENSE CONTAINED IN THAT CERTAIN AGREEMENT DATED EFFECTIVE SEPTEMBER 1, 2005, RECORDED AS DOC#2005113849 IN THE TULSA COUNTY LAND RECORDS.”

5. Any reference in the Deed of Dedication to RESERVE B being Common Area or for the common use by others, other than for use as a utility easements pursuant to Section I (A), shall be stricken.

6. Except as amended herein, all other terms and conditions contained in the Deed of Dedication shall remain unchanged and in full force and effect.

7. The undersigned owners, constituting more than sixty-five percent (65%) of the lots of Sequoyah Hill II, hereby consent to and adopt the changes set forth in this Amendment.

8. This Amendment shall not be effective until approved and endorsed by the TMAPC and duly filed of record with the Tulsa County Clerk’s Office.

IN WITNESS WHEREOF, THE UNDERSIGNED HAVE CAUSED THIS AMENDMENT TO BE EXECUTED ON THE DATE SET FORTH IN THE ACKNOWLEDGMENT.

CHANGE OF AND CONSENT TO
AREAS OF ACCESS AS SHOWN ON RECORDED PLAT

WHEREAS, DUNCAN & SONS REAL ESTATE LLC
are the owners of CRANE CARRIER INDUSTRIAL ADDITION
in the city and/or county of Tulsa, Oklahoma, according to the recorded plat thereof;
and

WHEREAS, said owners desire to change the access points from NORTH
MINGO ROAD to the above described property and,

WHEREAS, such change requires approval of the Tulsa Metropolitan Area
Planning Commission; and

WHEREAS, the Tulsa Metropolitan Area Planning Commission may approve
such change of access with a favorable recommendation by the designated Engineer of
the City of Tulsa or Tulsa County, Oklahoma.

NOW THEREFORE, the undersigned owners of the above named property in
the City (and/or) County of Tulsa, Oklahoma according to the recorded plat thereof,
does hereby change the access point(s) from its (their) present location as shown on
the above named plat as recorded in the office of the County Clerk of Tulsa County,
Oklahoma, as plat number 3318 to the location(s) as shown on the attached Exhibit
A, which is incorporated herein by reference and made a part hereof for all purposes.

The Tulsa Metropolitan Area Planning Commission by the affixing of its
approval to this instrument does hereby stipulate and agree to such change and, that
from and after the date of this consent, ingress and egress shall be permitted over,
through and across the areas of access as shown on attached Exhibit A, which is
incorporated herein by reference. The area of "access" as previously shown are hereby
revoked and access to the property prohibited across said area. The area of limits of
no access previously existing along the area of access now permitted by this change
and consent is hereby expressly vacated, annulled and held for naught.

IN WITNESS WHEREOF, the parties have hereunto set their hands and
affixed their seals this 4TH day of DECEMBER, 2017.

PARTIES MENTIONED

A. ADDISON ADAMS, JR., and LOUISE ADAMS, their successors in interest.

B. ADDISON CREEK, a limited liability company, located at Star City, Arkansas, and its successors in interest.

WHEREAS, the parties hereto, A. Addison Adams, Jr., and Louise Adams, on the one hand, and Addison Creek, a limited liability company, on the other hand, have entered into an agreement for the conveyance of certain lands to the City of Star, Arkansas, to be used for the construction of a water system; and

NOW, THEREFORE, the parties hereto agree as follows:

1. The City of Star, Arkansas, shall be entitled to the lands described herein for the purpose of constructing a water system for the benefit of the City of Star, Arkansas, and its successors in interest.

2. The lands shall be conveyed to the City of Star, Arkansas, in accordance with the terms of this agreement.

3. The City of Star, Arkansas, shall have the right to enter upon the lands at any time for the purpose of constructing the water system.

4. The City of Star, Arkansas, shall be responsible for the payment of all taxes and assessments on the lands.

5. The City of Star, Arkansas, shall have the right to use the lands for the purpose of constructing the water system, and shall be responsible for all damages and injuries caused by the use of the lands.

6. The City of Star, Arkansas, shall be responsible for all costs and expenses incurred in the construction of the water system.

7. The City of Star, Arkansas, shall be responsible for all repairs and maintenance of the water system.

8. The City of Star, Arkansas, shall be responsible for the operation and management of the water system.

9. The City of Star, Arkansas, shall have the right to sell or lease the lands for the purpose of constructing the water system.

10. This agreement shall be binding on the parties hereto and their successors in interest.

IN WITNESS WHEREOF, the parties hereto have executed this agreement this 1st day of January, 2023.

---

**Case Number:** PUD-310-1

**Minor Amendment**

**Hearing Date:** December 20, 2017
(Continued from Sept. 20, Oct. 18, and Nov. 15, 2017)
SECTION I: PUD-310-1 Minor Amendment

STAFF RECOMMENDATION

Amendment Request: Modify the PUD Development Standards to add Use Unit 17 to allow an RV park. The applicant is required to and has sought a use variance for the RV park in an RS zone, to be heard at the 12/19/17 Tulsa County Board of Adjustment. Once approved, this use may be added to the allowable uses of the PUD. The current allowed use is Mobile Home Dwellings and Accessory Units.

Staff Comment: This request can be considered a Minor Amendment as outlined by Section 1170.7 of the Tulsa County Zoning Code.

"Minor changes in the PUD may be authorized by the Planning Commission, which may direct the processing of an amended subdivision plat, incorporating such changes, so long as a substantial compliance is maintained with the outline development plan and the purposes and standards of the PUD provisions hereof. Changes which would represent a significant departure from the outline development plan shall require compliance with the notice and procedural requirements of an original Planned Unit Development."

Staff has reviewed the request and determined:

1) The requested amendment does not represent a significant departure from the approved development standards in the PUD.

2) Use Unit 17 use shall be restricted to an RV Park.

3) All remaining development standards defined in PUD-310 shall remain in effect.

Exhibits included with staff recommendation:

INCOG zoning case map
INCOG aerial photo
INCOG aerial photo enlarged

With considerations listed above, staff recommends approval of the minor amendment add Use Unit 17 to allow an RV park.
Case Number: LS-21066
Lot-Split

Hearing Date: December 20, 2017

Case Report Prepared by:
Amy Ulmer

Owner and Applicant Information:
Applicant: Brandon Potter
Property Owners: Pamela Fisher

Applicant Proposal:
Proposal to split an existing AG tract into two tracts.
The lot-split requires a waiver of the Subdivision Regulations that no lot have more than three side lot lines.

Existing Use: Vacant
Tract 1 Size: 26.80 ± acres
Tract 2 Size: 2.11 ± acres
Location: South of Southeast corner of East 86th Street North and North Harvard Avenue

Comprehensive Plan:
N/A

Zoning:
Existing Zoning: AG

Staff Recommendation:
Staff recommends approval of the lot-split and the waiver of the Subdivision Regulations that no lot have more than three side lot lines.

County Commission District: 1
Commissioner Name: John Smaligo
Lot-Split and Waiver of Subdivision Regulations

December 20, 2017

LS-21066
Brandon Potter, (1328) (AG) (County)
Location: South of the southeast corner of East 86th Street North and North Harvard Avenue

The Lot-Split proposal is to split an existing Agriculture (AG) tract into two tracts. On November 14, 2017 The County Board of Adjustment granted a Variance of the minimum frontage requirement on a public street/dedicated right of way from 30 ft. to 0 ft. on Tract 1 and Tract 2. Therefore, both tracts will meet the Bulk and Area requirements of the Tulsa County Zoning Code.

The Technical Advisory Committee met on November 2, 2017. Washington County Rural water district # 3 stated that at such time as water service is requested, all requirements of the district must be met.

The proposed lot-split would not have an adverse affect on the surrounding properties and staff recommends APPROVAL of the lot-split and the waiver of the Subdivision Regulations that no lot have more than three side lot lines.

**Commissioner Name:** John Smaligo
Lot-Split and Waiver of Subdivision Regulations

December 20, 2017

LS-21085
Doy Raines, (2319) (AG-R) (County)
Location: North of the northeast corner of East 146th Street North (Hwy 20) and North Trenton Avenue

The Lot-Split proposal is to split an existing Agriculture-Residential (AG-R) tract into four tracts. All tracts will meet the Bulk and Area requirements of the Tulsa County Zoning Code.

The Technical Advisory Committee met on December 7, 2017 and had the following comment. The County Engineer is requesting that 30’ of right-of-way be dedicated along North Trenton Avenue, including any previously dedicated right-of-way. Washington County Rural water district # 3 stated that water service is available for Tract 1, Tract 2, and Tract 3. At such time as water service is requested for Tract 4, all requirements of the district must be met.

The proposed lot-split would not have an adverse affect on the surrounding properties and staff recommends APPROVAL of the lot-split and the waiver of the Subdivision Regulations that no lot have more than three side lot lines.

December 20, 2017

LS-21086
Jerritt Basquez, (9229) (RS) (County)
Location: South of the southeast corner of West 41st Street South and
South 61st West Avenue

The Lot-Split proposal is to split an existing Residential Single-Family (RS) tract
into two tracts. The applicant is required to and has sought a variance of the
minimum frontage requirement on a public street/dedicated right-of-way from 30
ft. to 0 ft., to be heard at the 12/19/17 Tulsa County Board of Adjustment. Once
approved, both tracts will meet the Bulk and Area requirements of the Tulsa
County Zoning Code.

The Technical Advisory Committee met on December 7, 2017 and had the
following comment. Development Services has stated that Tract 2 could require
a waterline easement and extension at the time service is requested.

The proposed lot-split would not have an adverse affect on the surrounding
properties and staff recommends APPROVAL of the lot-split and the waiver of
the Subdivision Regulations that no lot have more than three side lot lines.

PLAT WAIVER

BOA-22362 – (CD 4)
East of the southeast corner of East 21st Street South and South Lewis Avenue

The platting requirement for this property is being triggered by a special exception approval by the Board of Adjustment on December 12, 2017 to permit an assisted living facility in the OL district. The use will take place within an existing building on the site and no new construction is proposed at this time.

The Technical Advisory Committee met on December 7, 2017 and the following items were determined:

1. The property was previously platted as part of the Harter’s Second Subdivision.
2. Necessary utilities are all in place and no additional utility easements will be needed at this time.
3. All right-of-way dedications have been made to comply with the Major Street Highway Plan.
4. The property does contain portions of the Crow Creek floodplain. Floodplain will be required to be placed in an easement prior to any new construction on the property.

Staff recommends approval of the plat waiver.
Exhibit “A”

Applicant requests a plat waiver for the Property in conjunction with a special exception for an Assisted Living Facility, which triggers a platting requirement under the Tulsa Zoning Code. Additionally, no platting or plat waiver occurred after the Property was rezoned in 2003 from RM-2 to OL (Case Z-6907).

The infrastructure and utilities needed for this development are already available within existing easements. A nursing home facility has operated on the Property for over 50 years. The proposed Assisted Living Facility poses no significant changes to the use of the Property and its existing utilities and infrastructure. Therefore, no purposes, as set forth in the Subdivision Regulations, will be served by replatting the Property and/or have already been served by previous platting.

PLAT WAIVER

BOA-22359 – (CD 3)
Southwest corner of East 46th Street North and North Mingo Road

The platting requirement for this property is being triggered by a special exception approval by the Board of Adjustment on December 12, 2017 to permit a Governmental Services use in the IL & RS-3 districts. The approval was granted to allow for the development of a flight simulator to support the Air National Guard. The project is partially funded by Vision Tulsa with other funding being provided by federal and state partnerships. When completed, the new facility will include four combat flight simulators.

The City of Tulsa will retain ownership of the property and the facility will be operated under a long-term lease.

The Technical Advisory Committee met on December 7, 2017 and the following items were determined:

1. The property has received lot combination approval to ensure all lots can be developed as one. No further subdivision of the property is proposed.
2. Utility extensions are being completed by the City of Tulsa and no easements will be granted due to City ownership. Notice of location will be filed on public utility lines on the property.
3. Portions of East 44th Street North from Mingo will be closed and vacated to ensure a secure facility. Public access will be maintained via N 93rd East Ave from E 46th Street North.
4. Federal Aviation Administration permits are required and are currently under review due to proximity to Tulsa International Airport.
5. Due to portions of the property being unplatted, a filed ALTA survey will be required upon completion of the project per the requirements of the subdivision regulations.

Staff recommends approval of the plat waiver.
NOTES:

1. 100' PUBLIC ACCESS CORRIDOR ONLY EFFECTIVE IF NEEDED TO PROVIDE ALTERNATE ACCESS ASSOCIATED WITH CLOSING OF 44TH STREET.

2. 45' PUBLIC ACCESS CORRIDOR ONLY EFFECTIVE AS LONG AS 44TH STREET HAS NOT BEEN CLOSED BY THE CITY OF TULSA.

3. 75' PUBLIC ACCESS CORRIDOR ONLY EFFECTIVE AS LONG AS 63RD EAST AVENUE HAS NOT BEEN CLOSED BY THE CITY OF TULSA.

4. UTILITY ACCESS CORRIDORS ARE REQUIRED TO PROTECT EXISTING UTILITY INFRASTRUCTURE.

Applicant Exhibits:
Property History and Overview

DETAILED STAFF RECOMMENDATION:

Z-7425 requested OL zoning is consistent with the expected development pattern in the area,

OL zoning is non-injurious to the proximate properties and,

OL zoning is consistent with the City of Tulsa Comprehensive Plan therefore,

Staff recommends Approval of Z-7425 to rezone property from RS-3 to OL.

SECTION II: Supporting Documentation

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

Staff Summary: OL zoning is consistent with the Mixed-Use Corridor land use designation and is compatible with the recommendations of the Lewis Study.

Land Use Vision:

Land Use Plan map designation: Mixed-Use Corridor

Mixed-Use Corridors are Tulsa’s modern thoroughfares that pair high capacity transportation facilities with housing, commercial, and employment uses. Off the main travel route, land uses include multifamily housing, small lot, and townhouse developments, which step down intensities to integrate with single family neighborhoods. Mixed-Use Corridors usually have four or more travel lanes, and sometimes additional lanes dedicated for transit and bicycle use. The pedestrian realm includes sidewalks separated from traffic by street trees, medians, and parallel parking strips. Pedestrian crossings are designed so they are highly visible and make use of the shortest path across a street. Buildings along Mixed-Use Corridors include windows and storefronts along the sidewalk, with automobile parking generally located on the side or behind.

Areas of Stability and Growth designation: Area of Stability

The Areas of Stability includes approximately 75% of the city’s total parcels. Existing residential neighborhoods, where change is expected to be minimal, make up a large proportion of the Areas of...
Stability. The ideal for the Areas of Stability is to identify and maintain the valued character of an area while accommodating the rehabilitation, improvement or replacement of existing homes, and small scale infill projects. The concept of stability and growth is specifically designed to enhance the unique qualities of older neighborhoods that are looking for new ways to preserve their character and quality of life. The concept of stability and growth is specifically designed to enhance the unique qualities of older neighborhoods that are looking for new ways to preserve their character and quality of life.

Transportation Vision:

Major Street and Highway Plan:  S Lewis Ave is an Urban Arterial

Trail System Master Plan Considerations: The GO Plan recommends a bike lane along S Lewis Ave

Small Area Plan: None

Special District Considerations: The subject parcel is located within the Lewis Study area. OL zoning is consistent with the recommendations of this study.

Historic Preservation Overlay: The subject parcel is located within the Yorktown District. Any new development shall comply with the Historic Preservation requirements of that district.

DESCRIPTION OF EXISTING CONDITIONS:

Staff Summary: The subject lot is currently vacant.

Environmental Considerations: None

SECTION III: Relevant Zoning History

ZONING ORDINANCE:
• Ordinance 18524 dated August 18, 1995 (Z-6490 & Z-6490a) established a Historic Preservation (HP) Overlay zoning;
• Ordinance number 11815 dated June 26, 1970, established zoning for the subject property.

Subject Property:

Z-6490 & Z-6490-A August 1995: All concurred in approval of a request for rezoning a 74+ acre tract of land for an HP (Historic Preservation) overlay zoning, on property located between East 15th Street and East 21st Street and between South Utica Avenue and South Lewis Avenue and includes the subject property.

Surrounding Property:

BOA-22112 August 2016: The Board of Adjustment approved a special exception to permit an existing detached house in the CH District (Section 15.020, Table 15-2), subject to being “as built”, on property located north of the northeast corner of East 16th Street South and South Lewis Avenue.

Z-7077/PUD-750 April 2008: All concurred in approval of a request for rezoning three lots, (a .50+ acre tract of land), from RS-3 to OL/PUD-750 for office use in accord with the provisions of the 15th Street/Lewis Study, on property located north of the northwest corner of East 17th Street and South Lewis Avenue.

BOA-20054 June 2005: The Board of Adjustment denied a special exception to permit a home occupation (real estate management) in an RS-3 District (Section 402.B.6.b), on property located north of the northwest corner of East 17th Street South and South Lewis Avenue.

PUD-809 November 1995: All concurred in approval of a proposed Planned Unit Development on a 3.96+ acre tract of land for single-family residential, on property located on the southwest corner of East 17th Street South and South Lewis Avenue.

Z-7095/PUD-752 April 2008: All concurred in approval of a request for rezoning a .19+ acre tract of land from RS-3/HP to OL/HP/PUD-752; All concurred in approval of a proposed Planned Unit Development, subject to screening along the south 95’ boundary line and the north 11’ of the north-south 20’ boundary line, on property located on the southeast corner of East 16th Street South and South Lewis Avenue.

Z-7090/PUD-753 April 2008: All concurred in approval of a request for rezoning a .17+ acre tract of land from RS-3/HP to OL/HP/PUD; All concurred in approval of a proposed Planned Unit Development, subject to an existing, non-required six-foot fence or any six-foot fence may be permitted along the north or south boundaries of the lot, but may not extend beyond the front wall of the principal structure, on property located on the northwest corner of East 17th Street South and South Lewis Avenue.

12/20/2017 1:30 PM

14-4
Property history and overview

The property which is the subject of this re-zoning application is the vacant located at 1548 S Lewis Ave, Lot 12, block 1, Hoppings Addition. The dilapidated residential structure located on this lot was demolished several years ago with the approval of the historical committee. The vacant lot is zoned RS-3HP.

This vacant lot is located directly to the south of Office Depot, and directly across the street from the Sonic Drive In. To its south, are three lots, one vacant, and two with residential structures that are used as commercial offices. These three lots comprise PUD 750, which allows the lots OL zoning. Because the zoning code will not allow the PUD to be expanded to include the one remaining residentially designated lot, we are requesting that the PUD be dissolved and all four lots designated the same OL status.

There are no plans to develop this lot, but just to keep it neatly landscaped as a green area to help beautify the area.
**Case Number:** PUD-750-A

REVISED 12/13/2017
Case Number: Z-7428

Hearing Date: December 20, 2017

Case Report Prepared by:
Dwayne Wilkerson

Owner and Applicant Information:
Applicant: Tulsa City Council c/o Janine Billings
Property Owner: BILLINGS, JANINE M

Applicant Proposal:
Present Use: Office
Proposed Use: Office
Concept summary: Rezoning request as part of the mixed-use zoning initiative associated with the bus rapid transit system along Peoria Avenue.
Tract Size: 0.21 ± acres
Location: E of SE/c of S. Peoria Ave. and E. 44th Pl. S.

Zoning:
Existing Zoning: CS

Proposed Zoning: MX1-V-U (Neighborhood Mixed Use-Variable Character-Unlimited Height)

Comprehensive Plan:
Land Use Map: Mixed-Use Corridor
Stability and Growth Map: Area of Growth

Staff Recommendation:
Staff recommends approval.

City Council District: 9
Councilor Name: Ben Kimbro
County Commission District: 2
Commissioner Name: Karen Keith
SECTION I: Z-7428

DEVELOPMENT CONCEPT: This request for rezoning is responsive to a City Council initiative to encourage mixed-use development along the proposed bus rapid transit system route. The current zoning on the site is CS. The site does not have height restrictions within the CS district abutting South Peoria.

EXHIBITS:
- INCOG Case map
- INCOG Aerial (small scale)
- INCOG Aerial (large scale)
- Tulsa Comprehensive Plan Land Use Map
- Tulsa Comprehensive Plan Areas of Stability and Growth Map
- Bus Rapid Transit recommendation map

Applicant Exhibits:
None Included

DETAILED STAFF RECOMMENDATION:

Case Z-7428 request MX1-V-U is consistent with the expected development pattern in the area and,

MX1-V-U is not injurious to the surrounding property owners and,

The MX1 requested is considered a neighborhood Mixed-Use district intended to accommodate small scale retail, service and dining uses that serve nearby residential neighborhoods. MX1 zoning supports the anticipated uses in this area location along South Peoria. The rezoning request is consistent with the Bus Rapid Transit System study and its land use recommendations and,

MX1-V-U is consistent with the Brookside Infill Plan and,

MX1-V-U is consistent with the Mixed-Use Corridor land use vision in the Tulsa Comprehensive Plan therefore

Staff recommends Approval of Z-7428 to rezone property from CS / to MX1-V-U.

SECTION II: Supporting Documentation

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

Staff Summary: MX1-V-U is consistent with the land use vision in the Tulsa Comprehensive Plan and is also consistent with the goals, objectives and strategies of the Brookside Infill Plan.

Land Use Vision:

Land Use Plan map designation: Mixed-Use Corridor

A Mixed-Use Corridor is a plan category used in areas surrounding Tulsa's modern thoroughfares that pair high capacity transportation facilities with housing, commercial, and employment uses. The streets usually have four or more travel lanes, and sometimes additional lanes dedicated for transit and bicycle use. The pedestrian realm includes sidewalks separated
from traffic by street trees, medians, and parallel parking strips. Pedestrian crossings are
designed so they are highly visible and make use of the shortest path across a street. Buildings
along Mixed-Use Corridors include windows and storefronts along the sidewalk, with
automobile parking generally located on the side or behind. Off the main travel route, land uses
include multifamily housing, small lot, and townhouse developments, which step down
intensities to integrate with single family neighborhoods.

Areas of Stability and Growth designation: Area of Growth
The purpose of Areas of Growth is to direct the allocation of resources and channel growth to
where it will be beneficial and can best improve access to jobs, housing, and services with
fewer and shorter auto trips. Areas of Growth are parts of the city where general agreement
exists that development or redevelopment is beneficial. As steps are taken to plan for, and, in
some cases, develop or redevelop these areas, ensuring that existing residents will not be
displaced is a high priority. A major goal is to increase economic activity in the area to benefit
existing residents and businesses, and where necessary, provide the stimulus to redevelop.

Areas of Growth are found throughout Tulsa. These areas have many different characteristics
but some of the more common traits are close proximity to or abutting an arterial street, major
employment and industrial areas, or areas of the city with an abundance of vacant land. Also,
several of the Areas of Growth are in or near downtown. Areas of Growth provide Tulsa with the
opportunity to focus growth in a way that benefits the City as a whole. Development in these
areas will provide housing choice and excellent access to efficient forms of transportation
including walking, biking, transit, and the automobile.”

Transportation Vision:

Major Street and Highway Plan:
Multi-modal streets emphasize plenty of travel choices such as pedestrian, bicycle and transit
use. Multimodal streets are located in high intensity mixed-use commercial, retail and
residential areas with substantial pedestrian activity. These streets are attractive for pedestrians
and bicyclists because of landscaped medians and tree lawns. Multi-modal streets can have
on-street parking and wide sidewalks depending on the type and intensity of adjacent
commercial land uses. Transit dedicated lanes, bicycle lanes, landscaping and sidewalk width
are higher priorities than the number of travel lanes on this type of street. To complete the
street, frontages are required that address the street and provide comfortable and safe refuge
for pedestrians while accommodating vehicles with efficient circulation and consolidated-shared
parking.

Streets on the Transportation Vision that indicate a transit improvement should use the multi-
modal street cross sections and priority elements during roadway planning and design

Trail System Master Plan Considerations:
The trail system along the Riverside Drive is approximately ½ mile from this site. Pedestrian
and bicycle connectivity should be an important concept with any new redevelopment
opportunity.

Small Area Plan: Brookside Infill Design Recommendations (Completed 2002)
Concept statement: “As Tulsa continues to mature as a city, infill development will become
more important as land on the perimeter is no longer available for development. Infill will no
longer be the exception; it will be the rule in terms of predominant types of development.
Support and encouragement of infill development are strongly recommended and should be
implemented through City regulations, policies and philosophies in order to ensure quality and consistency in future development”.

**Staff comment:** This was a statement from the infill task force prepared by the Mayor’s office and the Planning Commission in 1999 and continues to be more relevant today with implementation of the Bus Rapid Transit system and the construction of the Gathering Place. It has taken almost 20 years for the City to adopt zoning categories to support infill development strategies that will encourage design standards and building placement strategies to help create an urban fabric along Peoria from East 36th South street to I-44. Many design recommendations were restricted to the street right of way. Some of that has been implemented from 41st Street to Crow Creek.

Peoria from 36th Street South to 51st Street South (Skelly Drive) Goals:

A. It is intended that the physical environment and services in the business areas are maintained and enhanced to benefit existing business, as well as to promote and encourage revitalization, redevelopment and reuse of undervalued, vacant lots and obsolete buildings.

B. Improvements in the area will be made to help provide a continuity of image and to foster an improved emphasis on pedestrians. This is to be accomplished in part by providing sidewalk design and replacement crosswalks at selected locations, streetscape elements and other features will link this area and connect with the other portions of Brookside.

C. The historical context of business development patterns in this area is encouraged to continue, but with the additional emphasis of accommodating pedestrians and linking with the overall Brookside marketplace.

D. Business in this area along Peoria Avenue and those streets intersecting with Peoria Avenue may develop with buildings constructed nearer to the abutting street property line. Developments with storefront parking should provide no more than one or two rows of double-loaded parking in the front of buildings. Zero-setback from the front property lines is encouraged.

E. Sufficient parking for all business land uses is intended to be provided for all new development and redevelopment.

**Special District Consideration:** None

**Historic Preservation Overlay:** None

**DESCRIPTION OF EXISTING CONDITIONS:**

**Staff Summary:** The site is currently occupied by a single-story office building. The building placement is consistent with the building placement requirements for MX1-V-U.

**Environmental Considerations:** No known environmental considerations that would affect rezoning decisions or redevelopment opportunities.

SECTION III: Relevant Zoning History

ZONING ORDINANCE:
- Ordinance number 18950 dated March 24, 1997, (Z-6581), established (CS) zoning;
- Ordinance number 11823 dated June 26, 1970, established (RM-2) zoning for the subject property.

Subject Property:

BOA-200608 November 2007: The Board of Adjustment approved a variance of the setback requirement for a commercial parking lot within 50 ft. of an R district from 50’ to 33’ from the centerline of an abutting street (Section 1302.B) per plan, on the subject property.

BOA-19988 September 2004: The Board of Adjustment approved a variance of the required 25 ft. building setback to 10 ft. along South Peoria Avenue for Lot 14 and along South Peoria Avenue for Lot 13 to allow for the construction of an office building, on the subject property.

BOA-18897 November 2000: The Board of Adjustment approved a special exception to allow multifamily in a CS zoned district, subject to submitting a detail site plan to the BOA for approval on property located on the southeast corner of East 44th Place South and South Peoria Avenue, including the subject property.

Z-6581 January 1997: All concurred in approval of a request for rezoning a .69± acre tract of land from RM-2 to CS on property located on the southeast corner of East 44th Place South and South Peoria Avenue.

Surrounding Property:

BOA-19916 September 2004: The Board of Adjustment approved a variance to reduce the off-street parking requirement from 117 spaces to 111 spaces to permit the enclosure of 400 square feet of outdoor dining space and deletion of two rear parking spaces, on property located on the northeast corner of South Peoria Avenue and East 44th Place South.
PUD-541-B July 1998: All concurred in approval of a proposed Major Amendment to PUD-541 permit an auto repair use subject to modifications on property located on the northeast corner of East 44th Place and South Peoria Avenue.

PUD-541-A October 1996: All concurred in approval of a proposed Major Amendment to PUD-541 to increase the PUD area by adding a 74.6 x 140' lot for off-street parking on property located on the northwest corner of East 44th Place and South Quaker Avenue.

PUD-541 January 1996: All concurred in approval of a proposed Planned Unit Development on a 16.8± acre tract of land from IM, CH, CS, PK and RS-3 to IM, CH, CS, PK, RS-3/PUD-541 for mixed use with commercial and office uses on property located on the east side of South Peoria between East 43rd Street South and West 44th Street South.

19.1

REVISED 12/14/2017
SECTION I: Z-7429

DEVELOPMENT CONCEPT: The CH zoning request is consistent the Regional Center land use designation in the Tulsa Comprehensive Plan and is consistent with the expected development of the abutting St. Johns medical complex along East 21st Street South.

EXHIBITS:
INCOG Case map
INCOG Aerial (small scale)
INCOG Aerial (large scale)
Tulsa Comprehensive Plan Land Use Map
Tulsa Comprehensive Plan Areas of Stability and Growth Map
Applicant Exhibits:
None included

DETAILED STAFF RECOMMENDATION:
Case Z-7429 requesting CH zoning is consistent with the expected development pattern in the area and,

CH zoning is not injurious to the surrounding property owners and,

CH zoning is consistent with the Utica Midtown Corridor Plan and,

CH zoning is consistent with the Regional Center land use vision in the Tulsa Comprehensive Plan therefore,

Staff recommends Approval of Z-7429 to rezone property from CS,OL to CH.

SECTION II: Supporting Documentation

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

Staff Summary: The proposed CH zoning is consistent with the Regional Center designation of the Comprehensive plan. The Utica Midtown Corridor small area plan offers several recommendations for mixed use zoning, building height considerations and active ground floor considerations and that can be accomplished in CH zoning district. CH zoning does not specifically require those development standards. It should be noted that CH zoning removes any building setbacks and allows multi story buildings with parking structures. It is unlikely that a site this small would be constructed with anything greater than 8 stories as recommended in the small area plan.

Land Use Vision:

Land Use Plan map designation: Regional Center
Regional Centers are mid-rise mixed-use areas for large-scale employment, retail, and civic or educational uses. These areas attract workers and visitors from around the region and are key transit hubs; station areas can include housing, retail, entertainment, and other amenities. Automobile parking is provided on-street and in shared lots. Most Regional Centers include a parking management district.
Areas of Stability and Growth designation: Area of Growth

The purpose of Areas of Growth is to direct the allocation of resources and channel growth to where it will be beneficial and can best improve access to jobs, housing, and services with fewer and shorter auto trips. Areas of Growth are parts of the city where general agreement exists that development or redevelopment is beneficial. As steps are taken to plan for, and, in some cases, develop or redevelop these areas, ensuring that existing residents will not be displaced is a high priority. A major goal is to increase economic activity in the area to benefit existing residents and businesses, and where necessary, provide the stimulus to redevelop.

Areas of Growth are found throughout Tulsa. These areas have many different characteristics but some of the more common traits are close proximity to or abutting an arterial street, major employment and industrial areas, or areas of the city with an abundance of vacant land. Also, several of the Areas of Growth are in or near downtown. Areas of Growth provide Tulsa with the opportunity to focus growth in a way that benefits the City as a whole. Development in these areas will provide housing choice and excellent access to efficient forms of transportation including walking, biking, transit, and the automobile.”

Transportation Vision:

Major Street and Highway Plan: East 21st Street is classified as an Urban Arterial with a Multi Modal Overlay.

Multi-modal streets emphasize plenty of travel choices such as pedestrian, bicycle and transit use. Multimodal streets are located in high intensity mixed-use commercial, retail and residential areas with substantial pedestrian activity. These streets are attractive for pedestrians and bicyclists because of landscaped medians and tree lawns. Multi-modal streets can have on-street parking and wide sidewalks depending on the type and intensity of adjacent commercial land uses. Transit dedicated lanes, bicycle lanes, landscaping and sidewalk width are higher priorities than the number of travel lanes on this type of street. To complete the street, frontages are required that address the street and provide comfortable and safe refuge for pedestrians while accommodating vehicles with efficient circulation and consolidated-shared parking.

Streets on the Transportation Vision that indicate a transit improvement should use the multi-modal street cross sections and priority elements during roadway planning and design.

Trail System Master Plan Considerations: None

Small Area Plan: Utica Midtown Corridor South Plan

This site is included in the plan area boundary and outside the Yorktown Historic District

Land use recommendations in the small area plan encourage transition guidelines in areas that are identified in the following illustration. The guidelines recommended included Height and development character controls and screening requirements for area immediately outside the HP District boundary to ensure appropriate transition to the HP district. Z-7429 is outside of the transition zone identified in the small area plan.

The Mixed-Use Zoning conceptual boundary includes all of Z-7429 however the mixed-use zoning established for St. Johns did not include this site. Mixed-use zoning would also be an acceptable zoning category for this site.
SMALL AREA PLAN FIG. S-5.1: TRANSITION ZONE RECOMMENDATIONS:

- **Concept: HP Buffer Zone**
  Height and development character controls and screening requirements recommended for this area located immediately outside the HP District boundary to ensure appropriate transition to the HP District.

- **Concept: HP Edge zone**
  Additional protection, such as prohibition of surface parking as a primary use, is recommended for parcels located along the edge of the HP District.

- **Utica Midtown Corridor - South (UMC-South) Small Area Plan Boundary**

SMALL AREA PLAN FIG. S-5.2 PROPOSED MIXED USE ZONING DESIGNATIONS:

- **Proposed Mixed-Use Institutional (MX-I) Zoning.** A new zoning category proposed to promote sustainable mixed-use development of institutional campuses and codification of HP Buffer protections in this area.

- **Area proposed for 4-story height limit.** While outside of the HP District, buildings located in this area are recommended to implement the Unified Design Guidelines for HP Districts to ensure context-appropriate development.

- **Area proposed for 5-story height limit to ensure context-appropriate development.**

- **Area proposed for MX buffer zone.** This plan’s Vision chapter provides guidance for implementation of a new MX district (including height requirements) in this area.

- **Utica Midtown Corridor - South (UMC-South) Small Area Plan Boundary**

**SECTION III: Relevant Zoning History**

**ZONING ORDINANCE:** Ordinance number 11815 dated June 26, 1970, established zoning for the subject property.

**Subject Property:** No relevant history.

**Surrounding Property:**

**PUD-417-E (Abandonment) / Z-7325 January 2016:** All concurred in approval of IMX zoning for Z-7325 and abandonment for PUD-417-E, a Planned Unit Development on a 35+ acre tract of land on property located north and east of the northeast corner of East 21st Street South and South Utica Avenue.

**PUD-508 March 1994:** All concurred in approval, with conditions, of a proposed Planned Unit Development on a tract of land for a drive-in bank facility on property located on the northwest corner of East 21st Street South and South Yorktown Avenue.

**BOA-15936 February 1992:** The Board of Adjustment approved a variance of front setback from the centerline of East 21st Street South from 80’ to 51’ and from the centerline of South Yorktown Avenue from 55’ to 0’ for additions to a non-conforming building; approved a variance of the screening fence requirement on the north property line; approved a variance to permit required parking on a lot other than the lot of principal use; and approved a special exception to exceed FAR from 30% to 34%, per plot plan, subject to the execution of a tie contract between the lot containing the principal use and the parking lot to the north, on property located on the northeast corner of South Yorktown Avenue and East 21st Street South.

**Z-6138 January 1987:** All concurred in denial of a request for rezoning a tract of land from RS-3 to OL on property located on the southwest corner of East 20th Street South and South Yorktown Avenue.

**PUD-218 July 1979:** All concurred in approval of a proposed Planned Unit Development on a 7+ acre tract of land for a multi-story residential building and accessory uses, on property located on the southeast corner of South Yorktown Avenue and East 21st Street.

PLAT WAIVER

Z-7429 – (CD 4)
North and east of the northeast corner of South Xanthus Avenue & East 21st Street
South

The platting requirement for this property is being triggered by a request to rezone the property from the current CS/OL designation to a CH designation in anticipation of a redevelopment.

The Technical Advisory Committee met on December 7, 2017 and the following items were determined:

1. The property was previously platted as part of the Reddin Third Addition.
2. All right-of-way dedications have been made to comply with the Major Street Highway Plan.
3. No floodplain exists on the property.
4. No further subdivision of the property is proposed.
5. A lot combination will be required if the proposed development crosses existing property lines.
6. Storm sewer improvements may be required as part of the development. IDP approval will be required and necessary easements will be dedicated at that time.

Staff recommends approval of the plat waiver.
EXHIBIT “A”

LEGAL DESCRIPTION

The West 150 feet of the South 13.07 feet of Lot Five (5) and the West 150 feet of the North 32.37 feet of Lot Six (6), Block Five (5), REDDIN THIRD ADDITION to the City of Tulsa, Tulsa County, State of Oklahoma, according to the recorded plat thereof.

AND

All of Lots Seven (7) and Nine (9); the East 13.50 feet of the South 19.50 feet of Lot Four (4); the East 13.50 feet of Lots Five (5) and Six (6); the West 150 feet of the South 6.63 feet of Lot Six (6); the West 150 feet of the South 19.51 feet of Lot Four (4); the West 150 feet of the North 25.93 feet of Lot Five (5), all in Block 5, REDDIN THIRD ADDITION to the City of Tulsa, Tulsa County, State of Oklahoma, according to recorded plat thereof.
EXHIBIT "B"

REASON FOR PLAT WAIVER APPLICATION

Although the Property has been developed for over 50 years, the rezoning of the Property to CH and the redevelopment thereof will not require any material changes to the public streets, sidewalks and utilities which are in place today and available at the Property and no public purpose will be served by requiring the Property to be replatted.
