TULSA METROPOLITAN AREA PLANNING COMMISSION
Meeting No. 2829

November 4, 2020, 1:00 PM
175 East 2nd Street, 2nd Level, One Technology Center
Tulsa City Council Chamber

The meeting will be held in the Tulsa City Council Chamber and by videoconferencing and teleconferencing via GoToMeeting, an online meeting and web conferencing tool.

Commissioners and members of the public may attend the meeting in the Tulsa City Council Chamber, but are encouraged to attend and participate in the TMAPC meeting via videoconferencing and teleconferencing by joining from a computer, tablet or smartphone using the following link:

Commissioners and members of the public can also dial in using their phone by dialing:

United States: +1 (646) 749-3122

Participants must then enter the following Access Code: 163-931-949

The following Commissioners plan to attend remotely via GoToMeeting, provided that they may still be permitted to appear and attend at the meeting site, the Tulsa City Council Chambers, Second Floor of City Hall, at One Technology Center, 175 East Second Street, Tulsa Oklahoma: Chair Covey, Commissioner Blair, Commissioner Craddock, Commissioner Kimbrel, Commissioner McArtor, Commissioner Reeds, Commissioner Ritchey, Commissioner Shivel, Commissioner Van Cleave, Commissioner Walker

CONSIDER, DISCUSS AND/OR TAKE ACTION ON:

Call to Order:

REPORTS:

Chairman's Report:
Work session Report:
Director's Report:
1. Minutes of October 21, 2020 Meeting No. 2828

CONSENT AGENDA

All matters under "Consent" are considered by the Planning Commission to be routine and will be enacted by one motion. Any Planning Commission member may, however, remove an item by request.

NONE

PUBLIC HEARINGS

2. **MPD-3 Katy O'Meilia, Planning Design Group** (CD 9,4) Location: Southeast corner of East 31st Street South and South Peoria Avenue requesting a Master Plan Development for mixed use community (Continued from September 2, 2020) *(Withdrawn by applicant September 21, 2020)*

3. **Z-7581 Robert Parker** (CD 4) Location: East of the southeast corner of East 2nd Street South and South Quincy Avenue requesting rezoning from RM-2 to IL *(Withdrawn by applicant October 19, 2020)*

4. **Kahn Addition** (CD 1) Preliminary Plat, Location: East of the southeast corner of East 36th Street North and North MLK Jr. Boulevard *(Continued from October 21, 2020)*

5. **CZ-507 Brad Avedon** (County) Location: South and east of the southeast corner of East 126th Street North and North Garnett Road requesting rezoning from IL/AG to IL

6. **Z-7579 Cody Brandt** (CD 4) Location: West of the southwest corner of East 8th Street South and South Utica Avenue requesting rezoning from RS-4 to MX1-U-35

7. **Z-7580 Mark Bahlinger** (CD 6) Location: Southwest corner of East 21st Street South and South 120th East Avenue RD to CS

8. **Z-7582 Carolyn Back** (CD 5) Location: North of the northeast corner of East 51st Street South and South 72nd East Avenue requesting rezoning from CDP and RS-3 to OM with an optional development plan

OTHER BUSINESS
9. Commissioners' Comments

ADJOURN

CD = Council District

NOTE: If you require special accommodation pursuant to the Americans with Disabilities Act, please notify the Tulsa Planning Office at 918-584-7526. Exhibits, petitions, pictures, etc., presented to the Planning Commission may be received and deposited in case files to be maintained Tulsa Planning Office at INCOG. All electronic devices must be silenced during the Planning Commission meeting.

Visit our website at tulsaplanning.org   email address: esubmit@incog.org

TMAPC Mission Statement: The Mission of the Tulsa Metropolitan Area Planning Commission (TMAPC) is to provide unbiased advice to the City Council and the County Commissioners on development and zoning matters, to provide a public forum that fosters public participation and transparency in land development and planning, to adopt and maintain a comprehensive plan for the metropolitan area, and to provide other planning, zoning and land division services that promote the harmonious development of the Tulsa Metropolitan Area and enhance and preserve the quality of life for the region's current and future residents.
Thanks Katy,

We will withdraw the application.

Mr. Wilkerson,

At this point in time, our clients have decided to withdraw the MPD-3 application so they can re-evaluate and take more time to establish better communication and outreach for all Tulsans regarding the project. Please let me know if you need anything specific from me for this withdrawal request.

Best regards,

Katy O’Meilia, PLA, LEED AP
Planning Director/Project Manager

Subject: Submitting New Application for Zoning and Withdrawing previous application.

Please find attached the new application for rezoning of lots 10/15 11/15 Lynch & Forsyths Addition. We learned through our previous application if we zone it IL we will have a 75 foot setback which would destroy the use and purpose of our land and project. Therefore, we are resubmitting this zoning to Heavy Industry which eliminates the 75 foot setback and this change would comply with the other three corner properties that are adjacent to this property. Please let me know if you need an additional information. And I will be waiting for your email that will advise me on the cost in which I am to submit.

In Addition, I would like to withdraw my rezoning application number: Z-75-81

You have been very helpful to teach me and guide me through this process. We appreciate you so much.

Look forward to hearing from you.

Carol Parker and Robert Parker

EXHIBITS: Site Map, Aerial, Land Use, Growth & Stability, Preliminary Plat, Conceptual Improvements Plan
PRELIMINARY SUBDIVISION PLAT

Kahn Addition - (CD 1)
East of the southeast corner of East 36th Street North and North MLK JR. Boulevard
This plat consists of 1 lot, 1 block on 1.8 ± acres.

The Technical Advisory Committee (TAC) met on September 17, 2020 and provided the following conditions:

1. **Zoning:** TMAPC recommended approval (Z-7572) of CS zoning for the north 260 feet of the subject tract with RM-1 being retained for the remainder of the tract. Lot conforms to the requirements of the zoning districts.

2. **Addressing:** City of Tulsa addresses and street names must be assigned and affixed to the face of the final plat along with an address disclaimer.

3. **Transportation & Traffic:** Dedication of 50 feet of right-of-way for East 36th Street North as required by the Major Street and Highway Plan. Existing improvements located within the planned right-of-way are required to obtain license agreement approval or be removed prior to the filing of the final plat. Limits of no access must be added to the final plat and approved by City Traffic Engineering. Include sidewalk language in the deed of dedication.

4. **Sewer/Water:** Easements must be provided as required to cover existing/proposed public infrastructure. All easements are required to be labeled and dimensioned on the face of the final plat. Perimeter easements to be shown on the final plat as required by Development Services.

6. **Engineering Graphics:** Submit subdivision data control sheet with final plat submittal. Remove contours and improvements from final plat. Provide surveyors name and email address. Provide engineer, if applicable, with contact information. Graphically label the POB and POC. Add signature block. Update location map to reflect only platted property boundaries; label all other property as "Unplatted". Provide a basis of bearing heading with information providing a bearing angle shown on the face of the plat.

7. **Stormwater, Drainage, & Floodplain:** City of Tulsa Regulatory Floodplain exists on the northern portion of the property. Overland drainage easement will be required for any on-site floodplain. Any development proposed in the future within the floodplain area will be required to comply with all city floodplain ordinances and criteria.

8. **Utilities:** Telephone, Electric, Gas, Cable, Pipeline, Others: All utilities indicated to serve the site must provide a release prior to final plat approval. Provide a Certificate of Records Search from the Oklahoma Corporation Commission to verify no oil & gas activity on the site.

Staff recommends APPROVAL of the preliminary subdivision plat subject to the conditions provided by TAC and all other requirements of the Subdivision and Development Regulations. City of Tulsa release letter including Development Services, City Legal, and Engineering Services is required prior to final plat approval.

**TRS:** 1405  
**CZM:** 12

### County Commission District:
**Commissioner Name:** Stan Sallee
SECTION I: CZ-507

DEVELOPMENT CONCEPT: The applicant is proposing to rezone from IL/AG to IL to permit the construction of a new self-storage facility. This would be an extension of an existing self-storage facility located on the lot immediately to the west. The site is located within the Commercial Land Use designation of the Tulsa County Comprehensive plan and the City of Owasso Comprehensive Plan. Based on this designation, the proposed IL zoning for a self-storage use would be compatible with the long term land use plans for the immediate area.

The City of Owasso has indicated that they do not have an issue with the proposed development. They have requested that, when constructed, screening be provided along the eastern boundary of the subject lot, since the lot to the east is designated as a Transition Zone in the Comprehensive Plan, which may contain residential uses. This is not a Tulsa County Zoning Code requirement for the use or the existing adjacent zoning, but has been requested by the City of Owasso based on possible future uses of the adjacent lot.

EXHIBITS:
- INCOG Case map
- INCOG Aerial
- Email from City of Owasso Planning

DETAILED STAFF RECOMMENDATION:

CZ-507 is non-injurious to surrounding proximate properties;

CZ-507 is compatible with the Commercial Land Use designation of the Tulsa County Comprehensive Plan;

CZ-507 is consistent with the anticipated future development pattern of the surrounding property therefore;

Staff recommends Approval of CZ-507 to rezone property from IL/AG to IL.

SECTION II: Supporting Documentation

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

Staff Summary: The subject property is located within the fenceline of Owasso. The Tulsa County Comprehensive Land Use Plan (adopted July 2019) and the Owasso Comprehensive Plan (adopted in 2014 and amended in 2016 and 2018) designates the land use as Commercial. This designation is meant to serve as a guide for planners and related decision-
making bodies. The Commercial designation supports retail trade and services, which this proposal is compatible with.

Land Use Vision:

Land Use Plan map designation: Commercial

Areas of Stability and Growth designation: N/A

Transportation Vision:

Major Street and Highway Plan: N 113th East Ave is designated as a Secondary Arterial.

Trail System Master Plan Considerations: None

Small Area Plan: N/A

Special District Considerations: N/A

Historic Preservation Overlay: N/A

DESCRIPTION OF EXISTING CONDITIONS:

Staff Summary: The site currently contains a single family residence.
Environmental Considerations: None

SECTION III: Relevant Zoning History

ZONING ORDINANCE: Ordinance number 98254 dated September 15, 1980 established zoning for the subject property.

Subject Property:

No Relevant History.

Surrounding Property:

**CBOA-01303-A November 2012:** The County Board of Adjustment approved a Modification to previously approved Special Exception (CBOA-1303) to permit a church in an AG District for proposed expansion of existing Sanctuary for new Fellowship Hall and to adopt the conceptual site plan as submitted as the new governing document for future growth, on property located at 12215 North Garnett Road East.

**CBOA-01721 May 2000:** The County Board of Adjustment approved a Special Exception to permit a home occupation (beauty shop) in an AG district, on property located at 12505 North 113th East Avenue.

**CBOA-01662 July 1999:** The County Board of Adjustment approved a Special Exception to allow a seasonal sales (outdoor) fireworks stand in an AG zoned district, on property located at north of the northeast corner of East 121st Street North and North Garnett.

**CBOA-01303 October 1994:** The County Board of Adjustment approved a Special Exception to permit a church in an AG zoned district and a Variance to permit gravel parking, per plan submitted, subject to platting, building permit and Health Department approval, and temporary gravel parking being permitted for one year after church opening, on property located at north of the northeast corner of North Garnett Road and East 121st Street North.
Jay,

Owasso’s Land Use Plan identifies this tract for commercial uses and it appears this is an expansion of a current similar use. Therefore we do not have any issues with this case regarding the appropriateness. However, we would asked that screening be provided along the east boundary in the form of a 6 foot opaque fence, as the property to the east is called out for transitional uses and could at some point contain apartments or attached housing of some kind. Thank you.

Regards,

Karl A. Fritschen, MRCP, AICP, RLA
Planning Manager

SECTION I: Z-7579

EXHIBITS:
- INCOG Case map
- INCOG Aerial (small scale)
- INCOG Aerial (large scale)
- Tulsa Comprehensive Plan Land Use Map
- Tulsa Comprehensive Plan Areas of Stability and Growth Map

Applicant Exhibits:

DETAILED STAFF RECOMMENDATION:

The applicant is requesting to rezone an approximately 0.3 acre site west of South Utica Avenue on East 8th Street. The request is for MX1-U-35 which translates to a neighborhood level mixed-use district with an urban character and an overall height limitation of 35 feet.

MX1, Neighborhood Mixed-use is intended to accommodate small-scale retail, service, and dining uses in addition to a variety of residential uses and building types. Examples of non-residential uses permitted within the MX1 district are offices, restaurants, retail sales, and studios. Residential uses permitted include apartments and townhouses. Building types and form are controlled by the “Urban” character designation selected by the applicant. Urban character zones pull building facades to the front of the lot through a required build-to zone of 0 feet to 20 feet. Vertical mixed-use buildings including a mix of commercial and residential uses are required to provide a minimum of 40% transparency on the ground floor in order to accommodate a more active street. Buildings intended purely for residential uses would be required a minimum of 20% transparency on the ground floor to accommodate more privacy for ground-floor residential units. The applicant has requested a 35 foot height limitation on new structures which aligns with the current height restriction of the RS-4 district.

In the immediate vicinity of the subject parcel, there is a mix of commercial uses including a convenience store and a pawn shop along the Utica Avenue frontage. Neighborhood parcels are comprised of a mixture of duplexes, a multi-unit house, a single-family home, and a neighborhood religious assembly.

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

The City's Comprehensive Plan designates this area as a Downtown Neighborhood and an Area of Growth. Downtown neighborhoods are located outside but are tightly integrated with the Downtown Core. The plan intends these areas to evolve into areas that are pedestrian-oriented where people can both work and live which supports the concept of a neighborhood mixed-use zoning allowing for small-scale commercial uses or medium density housing opportunities.

Staff has found the request for MX1-U-35 to be consistent with the goals and recommendations of the Comprehensive Plan and non-injurious to the surrounding approximate properties.

Staff recommends APPROVAL of Z-7579 to rezone property from RS-4 to MX-1-U-35.
SECTION II: Supporting Documentation

Land Use Vision:

*Land Use Plan map designation: Downtown Neighborhood*

*Areas of Stability and Growth designation: Area of Growth*

Small Area Plan: **Pearl District Small Area Plan**

The Pearl District Small Area Plan was adopted on July 3, 2019 and maintained the importance of this area as a “Downtown Neighborhood” and supporting the concept of additional housing choice, mixture of uses, and the revitalization of existing neighborhood areas.

*Priority 1*: Stabilize and revitalize existing residential areas, promote homeownership and housing affordability, and increase housing choice.

*Priority 2*: Promote development that retains existing businesses and increases employment, mixed-use, commercial, and retail opportunities.

The options afforded under the MX1-U-35 zoning requested are supported by the goals and recommendations of the small area plan for downtown neighborhood areas.

**DESCRIPTION OF EXISTING CONDITIONS:**

*Staff Summary:* In the immediate vicinity of the subject parcel, there is a mix of commercial uses including a convenience store and a pawn shop along the Utica Avenue frontage. Neighborhood parcels are comprised of a mixture of duplexes, a multi-unit house, a single-family home, and a neighborhood religious assembly.

SECTION III: Relevant Zoning History

ZONING ORDINANCE: Ordinance number 11815 dated June 26, 1970 established zoning for the subject property.

Subject Property:

No Relevant History.

Surrounding Property:

**PUD-588 May 2012**: All concurred in approval of a proposed Major Amendment to PUD on a 3.35+ acre tract of land to allow a 1.35 acre tract of land located north of the existing PUD to be added to the PUD to allow for the redevelopment of the property with a larger store and greater service capacity, on property located northwest corner of East 11th Street and South Utica Avenue.

**Z-7109 September 2008**: All concurred in approval of a request for rezoning a .32+ acre tract of land from RS-4 to OL for accessory parking, on property located southeast corner of South Troost Avenue and East 10th Street.

**BOA-19667 September 2003**: The Board of Adjustment approved a Special Exception to allow a church in an RS-4 District, a Variance of the required one acre lot size, and a Variance of the required parking from 42 spaces to 14, finding it is an existing building, with ample parking space, on property located at 810 & 802 South Troost.

**PUD-588 June 1998**: All concurred in approval of a proposed Planned Unit Development on a 2+ acre tract of land for a convenience store (Quik Trip), on property located on the northwest corner of East 11th Street South and South Utica Avenue.

**BOA-12909 December 1983**: The Board of Adjustment approved a Special Exception to permit a Pythian Benevolent Association in an RM-2 zoned district under the provisions of Section 1680, subject to the type of building built on the property being a tilt-up brick veneer building as submitted by the applicant, on property located at the southwest corner of Troost Avenue and 8th Street.

Case Report Prepared by: Dwayne Wilkerson

Owner and Applicant Information:
Applicant: Mark Bahlinger
Property Owner: Jesus Barraza and Anilu Castillo De Barraza

Applicant Proposal:
Present Use: Vacant
Proposed Use: Restaurant
Concept summary: Redevelop site abutting 21st Street north of the drainage channel.
Tract Size: 0.69 ± acres
Location: Southwest corner of East 21st Street South & South 120th East Avenue

Zoning:
Existing Zoning: RD
Proposed Zoning: CS

Comprehensive Plan:
Land Use Map: Mixed-Use Corridor and Existing Neighborhood
Stability and Growth Map: Area of Growth

Staff Recommendation:
Staff recommends approval for CS zoning of the north 220 feet of the subject property where the property included in the Mixed-Use Corridor land use designation.
The south portion of the request is not consistent with the Comprehensive Plan therefore we recommend denial of that portion of the site.

City Council District: 6
Councilor Name: Connie Dodson
County Commission District: 1
Commissioner Name: Stan Sallee
SECTION I: Z-7580

DEVELOPMENT CONCEPT:

The applicant has submitted a rezoning request to allow commercial development at the Southwest corner of East 21st Street and South 122nd East Avenue.

EXHIBITS:

INCOG Case map  
INCOG Aerial (small scale)  
INCOG Aerial (large scale)  
Tulsa Comprehensive Plan Land Use Map  
Tulsa Comprehensive Plan Areas of Stability and Growth Map  
Applicant Exhibits: None included

DETAILED STAFF RECOMMENDATION:

The applicant has requested CS zoning for the entire parcel. The north 220 feet of the site is consistent with the Tulsa Comprehensive Plan and,

The existing Neighborhood Land use designation on the south portion does not support CS zoning and,

Uses allowed in a CS zoning district are consistent with the anticipated uses along the Multi Modal Corridor and,

The site is environmentally challenging however it is our understanding that development in the Tulsa Regulatory Flood Plain can be designed in a way that will not adversely affect surrounding property owners therefore,

Staff recommends Approval of Z-7580 to rezone the north 220 feet of the subject property from RD to CS.

Staff recommends denial of the request for the remainder of the property south of that line.

SECTION II: Supporting Documentation

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

Staff Summary: The north 220 feet of the property is included in the Mixed-Use Corridor and the uses allowed in a CS district are consistent with the vision of that land use designation. The Major street and highway plan recognizes the importance of commercial uses along a Multimodal corridor.

Land Use Vision:

Land Use Plan map designation: Mixed-Use Corridor and Existing Neighborhood

The north 220 feet is included in a Mixed-Use Corridor is a plan category used in areas surrounding Tulsa's modern thoroughfares that pair high capacity transportation facilities with housing, commercial, and employment uses. The streets usually have four or more travel lanes, and sometimes additional lanes dedicated for transit and bicycle use. The pedestrian realm
includes sidewalks separated from traffic by street trees, medians, and parallel parking strips. Pedestrian crossings are designed so they are highly visible and make use of the shortest path across a street. Buildings along Mixed-Use Corridors include windows and storefronts along the sidewalk, with automobile parking generally located on the side or behind. Off the main travel route, land uses include multifamily housing, small lot, and townhouse developments, which step down intensities to integrate with single family neighborhoods.

The south portion of the tract is included in the Existing Neighborhood category is intended to preserve and enhance Tulsa’s existing single-family neighborhoods. Development activities in these areas should be limited to the rehabilitation, improvement or replacement of existing homes, and small-scale infill projects, as permitted through clear and objective setback, height, and other development standards of the zoning code. In cooperation with the existing community, the city should make improvements to sidewalks, bicycle routes, and transit so residents can better access parks, schools, churches, and other civic amenities.

**Areas of Stability and Growth designation: Area of Growth**

The purpose of Areas of Growth is to direct the allocation of resources and channel growth to where it will be beneficial and can best improve access to jobs, housing, and services with fewer and shorter auto trips. Areas of Growth are parts of the city where general agreement exists that development or redevelopment is beneficial. As steps are taken to plan for, and, in some cases, develop or redevelop these areas, ensuring that existing residents will not be displaced is a high priority. A major goal is to increase economic activity in the area to benefit existing residents and businesses, and where necessary, provide the stimulus to redevelop.

Areas of Growth are found throughout Tulsa. These areas have many different characteristics but some of the more common traits are proximity to or abutting an arterial street, major employment and industrial areas, or areas of the city with an abundance of vacant land. Also, several of the Areas of Growth are in or near downtown. Areas of Growth provide Tulsa with the opportunity to focus growth in a way that benefits the City as a whole. Development in these areas will provide housing choice and excellent access to efficient forms of transportation including walking, biking, transit, and the automobile.”

**Transportation Vision:**

**Major Street and Highway Plan: Multi Modal Corridor**

Multi-modal streets emphasize plenty of travel choices such as pedestrian, bicycle and transit use. Multimodal streets are located in high intensity mixed-use commercial, retail and residential areas with substantial pedestrian activity. These streets are attractive for pedestrians and bicyclists because of landscaped medians and tree lawns. Multi-modal streets can have on-street parking and wide sidewalks depending on the type and intensity of adjacent commercial land uses. Transit dedicated lanes, bicycle lanes, landscaping and sidewalk width are higher priorities than the number of travel lanes on this type of street. To complete the street, frontages are required that address the street and provide comfortable and safe refuge for pedestrians while accommodating vehicles with efficient circulation and consolidated-shared parking.

Streets on the Transportation Vision that indicate a transit improvement should use the multi-modal street cross sections and priority elements during roadway planning and design.

**Trail System Master Plan Considerations:** None
Small Area Plan: None

Special District Considerations: None

Historic Preservation Overlay: None

DESCRIPTION OF EXISTING CONDITIONS:

**Staff Summary:** The site is undeveloped and east of a small box discount store. West of a communications company minor utility. The property is included in the Tulsa Regulatory Floodplain for Tupelo Creek. New building construction for the uses allowed in a CS district will require careful engineering analysis prior to site development.

Street View from northeast looking southwest:

**Environmental Considerations:** The site appears to be included in the Tupelo Creek, City of Tulsa regulatory floodplain. The creek area is generally wooded and in a natural condition at this location. The developer will be encouraged to keep the wooded character of the area on both sides of the creek and significant engineering analysis will be required prior to issuing a building permit.

**SECTION III: Relevant Zoning History**

**ZONING ORDINANCE:** Ordinance number 11817 dated June 26, 1970 established zoning for the subject property.

**Subject Property:**

**BOA-17534 October 1996:** The Board of Adjustment approved a Special Exception to permit a telecommunications building in an RD district, subject to the building meeting the required 35' setback and the approval of the Department of Public Works relating to stormwater runoff, on property located East 21st Street and South 120th East Avenue.

**Surrounding Property:**

**Z-7239/PUD-800 August 2013:** All concurred in approval of a request to rezone a 1.97+ acre tract of land from OL to OL/CS and approval of a proposed Planned Unit Development for Use Unit 13 (Convenience Goods and Services) and Use Unit 14 (Shopping Goods and Services), on property located west of the southwest corner of East 21st Street and South 120th East Avenue.

**BOA-20053 June 2005:** The Board of Adjustment upheld the determination of a neighborhood building inspector that a taxi/limousine business is not a use by right in a residential district and deny the appeal, on property located 11911 East 22nd Place South.

**BOA-19395 July 2002:** The Board of Adjustment approved a Special Exception to permit a cable television utility facility in an RD district, per plan, with conditions there be no communications tower on the site, no storage of vehicles, any lighting would be shielded away from the neighborhood, limit approval to the north 215' of the site, and a generator will operate only during emergencies and at such times needed to keep it operational, on property located at 2115 South 120th East Avenue.

**BOA-17441 July 1996:** The Board of Adjustment approved a Special Exception to allow church uses in a RD district, subject to the applicant returning with a detailed site plan for approval meeting the code, a letter from Development Services of the City of Tulsa indicating the property can be developed.
in the manner the applicant proposes on the detailed site plan, on property located at the southeast corner of South 120th East Avenue and East 21st Street South.

**BOA-09084 July 1976:** The Board of Adjustment approved an Exception to operate a children’s nursery, subject to the drainage plans being approved by the City Engineer prior to the issuance of any building permits, and to the conceptual plot plan, in an RD District, on property located southeast of 120th East Avenue and 21st Street.

**BOA-07788 March 1973:** The Board of Adjustment denied an Exception to operate a children’s nursery, on property located at the northwest corner of 120th East Avenue and 21st Street.

**Z-4251 September 1972:** All concurred in approval of a request for rezoning a 7.2+ acre tract of land from RM-1/RS-3 to RD/OL for duplexes and offices, on property located east of the southeast corner of 21st Street and Garnett Road.

**BOA-04243 December 1963:** The Board of Adjustment granted a request for permission to construct and operate a public school in a U-1-B District, on property located on the W1/2, SW1/4, SE1/4, of Section 8, Township 19 North, Range 14 East, Tulsa County, Oklahoma.
Note: Graphic overlays may not precisely align with physical features on the ground.

SECTION I: Z-7582

APPLICANTS DEVELOPMENT CONCEPT:
The continued evolution of this site over the last several years has opened opportunities for expanded uses for this site. As the school use is coming to a close, a new use for the neighborhood is emerging.

Today’s aging population will live longer than any other generation in history. The outlook for aging is both exciting and challenging. With a sharpened mission focus, LIFE Senior Services is poised to lead our community, into a future where its older residents remain independent, healthy, and engaged longer.

Since 1973, LIFE Senior Services has provided programs, facilities and services designed to meet the needs of older adults across the continuum of care with choices and opportunities. The greater Tulsa community is unique in having a nonprofit senior service provider that integrates and links a comprehensive group of resources under one umbrella organization. LIFE’s reputation as a respected leader in aging services is grounded in our ability to address emerging needs as well as provide an efficient and effective one-stop shop approach to service delivery.

Services offered on this site will include:

LIFE’s Adult Day Health
LIFE’s Adult Day Health program provides a safe, friendly and therapeutic setting for at risk seniors and adults with disabilities. Enriching daily activities are designed to maintain and enhance physical and mental capabilities. The program also offers health and nursing services, therapy, medication management and personal care. In addition, Adult Day Health makes respite for family caregivers possible and is a reliable source of support and encouragement.

LIFE’s Adult Day Health Centers are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). With more than 800 standards, CARF holds the highest international standards for service providers. Because the Adult Day program, facilities and staff meet the rigorous CARF standards, our participants and their families are reassured the highest quality care.

LIFE PACE
LIFE PACE, a Program of All-Inclusive Care for the Elderly, is a comprehensive, coordinated senior healthcare program. Qualifying participants in the LIFE PACE program are transported to the LIFE PACE/Adult Day Health Center to receive healthcare, social services, nutritious meals and to participate in various rehabilitative and recreational activities. The heart of LIFE PACE is the care that is provided throughout our system by the interdisciplinary team of nurses, nutritionists, social workers, pharmacists, occupational therapists and primary care physicians who jointly develop care plans to maximize function and independence for participants. PACE’s unique team-based approach results in positive health outcomes and dramatically reduces hospitalization and fall rates.

LIFE’s Senior Center
LIFE’s Senior Center serve as a gateway to the area’s aging network – connecting older adults to a variety of programs that support healthy aging. Monthly activity calendars are filled with a lively combination of social, creative, educational and fitness activities. Line dancing, picnics under permanent shaded-covering, and raised-bed community gardens are just a few of the activities offered.

Compared with their peers, senior center members are healthier and have higher levels of social interaction and life satisfaction. Many members feel that the secret to remaining independent involves staying active, learning new things and sharing time with friends. Recognized by the Older Americans Act as community focal points, senior centers are integral parts of aging well and one of the most widely used services among older adults.

Applicant Exhibits: (None included)

DETAILED STAFF RECOMMENDATION:

Chapter 30.020-C of the Tulsa Zoning code indicates that CDP-53 is active. The abandonment of a portion of CDP-53 for this application will not affect the provisions of the remaining CDP development area. The Board of Adjustment approved this abandonment at the 10.27.2020 meeting.

OM zoning is the lightest zoning option available for the Adult Day Care and Active Senior Service available however the zoning without the development plan standards and use limitations is not appropriate or consistent with the original concept for this development and,

The development plan outlined in Section II of this report is consistent with the provision of the Development plan standards of the Tulsa Zoning Code and,

The uses and building types are consistent with the Existing Neighborhood Land Use Designation in the Tulsa comprehensive plan therefore,

Staff recommends Approval of Z-7582 to rezone property from RS-3 with CDP-53 to OM with the optional development plan standards outlined in Section II below.

SECTION II: OPTIONAL DEVELOPMENT PLAN STANDARDS

The Optional Development Plan standards will conform to the provisions of the Tulsa Zoning Code for development in an Office Medium (OM) district with its supplemental regulations except as further refined below. (Note: All uses categories, subcategories, specific uses and building types that are not listed in the following permitted uses categories are prohibited.)

GENERAL PROVISIONS:

Lot and Building Regulations:
Minimum Lot area shall not be less than 1 acre
Minimum street frontage shall not be less than 100 feet
Maximum Floor area ratio shall be 1.0
Maximum building height shall be limited to 35 feet.
Building setbacks shall be 50 feet from any R district and 20 feet from the street right of way.

PERMITTED USE CATEGORIES:

GROUP LIVING
Assisted Living Facility
Convent/Monastery/Novitiate
Elderly/retirement center
Life care retirement center

PUBLIC, CIVIC AND INSTITUTIONAL
Day Care
Parks and Recreation
*Governmental Service or Similar Functions Special Exception only

School
Established on or before Jan. 1, 1998

Others

Utilities and Public Service Facility
Minor

Wireless Communication Facility
Building or tower-mounted antenna

COMMERCIAL
Broadcast or Recording Studio

Office
Business or professional office
Medical, dental or health practitioner office

Restaurants and Bars
Restaurant In-house, (limited to an In-house cafeteria) no fee for participants

AGRICULTURAL
Community Garden

PERMITTED SIGNAGE
Free standing signs must be a monument style sign. Pole signs are prohibited. One (1) monument sign will be allowed on each lot. Each lot is allowed one monument sign.
- Monument signs are limited to a maximum height of 15 feet.
- Monument signs may not exceed 32 square feet of display surface area.
- Monument signage may not be located closer than 20 feet to any street right of way.
- Monument signage may not be located closer than 150 feet to any R zoned district.

Dynamic display signage is prohibited

Wall Signs – A maximum of three (3) wall signs will be allowed with one wall sign allowed on the wall immediately above any building entrance. The maximum wall sign size shall not exceed 32 square feet, or 0.30 square feet of sign area per linear foot of street frontage which ever is smaller.

Directional Signs - Various small signs throughout the property for wayfinding purposes

SECTION II: Supporting Documentation

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

Staff Summary: The uses and provisions of the development plan are consistent with the existing neighborhood land use designation.

Land Use Vision:

Land Use Plan map designation: Existing Neighborhood

REVISED 10/28/2020
The Existing Neighborhood category is intended to preserve and enhance Tulsa's existing single family neighborhoods. Development activities in these areas should be limited to the rehabilitation, improvement or replacement of existing homes, and small-scale infill projects, as permitted through clear and objective setback, height, and other development standards of the zoning code. In cooperation with the existing community, the city should make improvements to sidewalks, bicycle routes, and transit so residents can better access parks, schools, churches, and other civic amenities.

Areas of Stability and Growth designation: Area of Stability
The Areas of Stability includes approximately 75% of the city's total parcels. Existing residential neighborhoods, where change is expected to be minimal, make up a large proportion of the Areas of Stability. The ideal for the Areas of Stability is to identify and maintain the valued character of an area while accommodating the rehabilitation, improvement or replacement of existing homes, and small scale infill projects. The concept of stability and growth is specifically designed to enhance the unique qualities of older neighborhoods that are looking for new ways to preserve their character and quality of life.

Transportation Vision:

Major Street and Highway Plan: None

Trail System Master Plan Considerations: None

Small Area Plan: None

Special District Considerations: This site is included in (Community Development Plan) CDP-53 which is one of the legacy districts in the zoning code. The school site was originally included in that district with an underlying zoning of RS-3. The zoning code provides guidance that the Board of Adjustment is given authority to modify those plans however it is not given the authority to add uses to that plan. In this instance the applicant has requested an amendment to CDP-53. The amendment is to abandon the portion of the CDP that was illustrated as a school site and was approved in August 1968.

Historic Preservation Overlay: None

DESCRIPTION OF EXISTING CONDITIONS:

Staff Summary: The property includes a single-story school site and associate parking.
Environmental Considerations: None that would affect site redevelopment.

SECTION III: Relevant Zoning History

ZONING ORDINANCE: Ordinance number 11824 dated June 26, 1970 established zoning for the subject property.

Subject Property:
**BOA-23019** Pending: The applicant filed an application amend Community Development Project 53 to remove Lot 1, Block 11, Park Plaza Seventh Amended Addition, on property located at 4821 South 72nd East Avenue. The application is set to be heard October 27, 2020 by the Board of Adjustment. The Board approved the abandonment with the provision that the abandonment of the CDP is not effective until the Zoning Ordinance is effective.

**BOA-20995 November 2009:** The Board of Adjustment approved a Special Exception to permit a school use in an RS-3 district, on property located at 4821 South 72nd East Avenue.

**BOA-17486 August 1996:** The Board of Adjustment approved a Special Exception to permit a church in an RS-3 district to occupy an abandoned school, per plan submitted, on property located at 4821 South 72nd East Avenue.

**BOA-12618 June 1983:** The Board of Adjustment approved a Special Exception to allow Bates Elementary School to be utilized by Oklahoma College of Business and Technology, Inc., as a junior college, per plot plan, including 100 additional parking spaces as represented and subject to the applicant returning to the Board if and when any expansion is proposed, on property located at 4821 South 72nd East Avenue.

**BOA-11909 March 1982:** The Board of Adjustment approved a Special Exception for a children's day care center in an RS-3 District, that no sign be allowed, subject to a maximum of 25 children, and that the hours of operation be from 6:30 am to 6:30 pm, on property located at 4821 South 72nd East Avenue.

**BOA-08622 July 1975:** The Board of Adjustment approved an Exception to for an extension of time for a period of three years for the completion of CDP 53, located in an RS-3 District, on property located at northwest of 51st Street and 73rd East Avenue. This application includes the subject tract and surrounding properties.

**BOA-06173/CDP-53 February 1969:** All concurred in approval of a proposed Community Development Project on a 75.19+ acre tract of land for single-family, duplexes, and garden apartments, on property located 51st and South 72nd East Avenue. This application includes the subject tract and surrounding properties, and approval was subject to the following conditions recommended by Staff:

1. That the total number of dwelling units not to exceed 400,

2. That single-family, duplex, and apartment units be permitted as designated in the CDP text, also an elementary school, excluding any commercial or nonresidential uses,

3. That Block 9 permit a maximum of 180 multifamily units,

4. That the specifications of the CDP text and plot plan be incorporated as conditions of approval, and

5. That CDP approval be subject to the filing of a satisfactory subdivision plat

Chapter 30.020-C of the Tulsa Zoning code indicates that CDP-53 is active. The abandonment of a portion of CDP-3 for this application will not affect the provisions of the remaining CDP development area.
Surrounding Property:

**BOA-11312 December 1980:** The Board of Adjustment approved a *Special Exception* to allow a beauty shop as a home occupation in an RM-1 District, subject to all home occupation regulations and to operate under this lessee only, on property located at 7348 East 50th Place.

**BOA-10185 October 1978:** The Board of Adjustment approved an *Exception* to for an extension of time for a period of three years to complete construction of duplex buildings in CDP No. 53, on property located northwest of 51st Street and 73rd East Avenue.

**BOA-05433/CDP-17 June 1967:** All concurred in *approval* of a *Community Development Project* on a 59.25+ acre tract of land for multiplexes to abandon and replace part of the previous Chapter 30.020-B of the Tulsa Zoning code indicates that CDP-17 is no longer applicable, and all the zoning district regulations apply.

**BOA-04961/CDP-11 April 1966:** All concurred in *approval* of a *Community Development Project* on a 101+ acre tract of land for a mix of residential ranging from single-family to fourplexes or town homes to multi-story apartments. Chapter 30.020-B of the Tulsa Zoning code indicates that CDP-11 is no longer applicable, and all the zoning district regulations apply.
