Item 3 was withdrawn by applicant.

3. **Z-7636 King Architectural Solutions, Matt King** (CD 1) Location: Northeast corner of East Apache Street and North Peoria Avenue requesting rezoning from **CH to OL (withdrawn by applicant)**

* * * * *

4. **PUD-498-E Hall Estill, Stuart Van De Wiele** (CD 7) Location: Southwest of the southwest corner of East 71st Street South and South 101st East Avenue requesting a **PUD Major Amendment** to permit indoor vehicle sales and reduce parking requirements (Related to Z-7635)

STAFF RECOMMENDATION:

SECTION I: PUD-498-E

DEVELOPMENT CONCEPT: The applicant is proposing a Major Amendment to the PUD in conjunction with rezoning from OMH to CH to permit indoor car sales.

The current development standards for the PUD limit the uses to Mini-Storage, excluding outdoor storage and uses permitted by right in a CS district, except Use Unit 12a – Adult Entertainment Establishments and dance halls are prohibited. The applicant proposes to add Personal Vehicle Sales and Rentals, Commercial Vehicle Sales and Rentals along with accessory uses customary thereto to the allowable uses for the subject lot. All sales and displays of merchandise shall occur indoor and no outdoor displays of merchandise are permitted.

Currently the parking requirements for the site are per the City of Tulsa Zoning Code that existed at the time of the establishment of the PUD. The applicant is proposing that the parking requirement for all uses be reduced to 15 spaces for the subject property.

DETAILED STAFF RECOMMENDATION:

PUD-498-E is consistent with the Regional Center vision of the Tulsa Comprehensive Plan and,

PUD-498-E is consistent with the expected development of surrounding properties and,

All remaining development standards defined in PUD-498 and subsequent amendments shall remain in effect, therefore,

Staff recommends Approval of PUD-498-E to add Personal Vehicle Sales and Rentals, Commercial Vehicle Sales and Rentals along with accessory uses customary thereto and to reduce the required number of parking spaces to 15 for all uses.

SECTION II: Supporting Documentation

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

Staff Summary: The site is designated as Regional Center in the City of Tulsa Comprehensive Plan

Land Use Vision:

Land Use Plan map designation: Regional Center

Regional Centers are mid-rise mixed-use areas for large-scale employment, retail, and civic or educational uses. These areas attract workers and visitors from around the region and are key transit hubs; station areas can include housing, retail, entertainment, and other amenities. Automobile parking is provided on-street and in shared lots. Most Regional Centers include a parking management district.

Areas of Stability and Growth designation: Area of Growth

The purpose of Areas of Growth is to direct the allocation of resources and channel growth to where it will be beneficial and can best improve access to jobs, housing, and services with fewer and shorter auto trips. Areas of Growth are parts of the City where general agreement exists that development or redevelopment is beneficial.

- 5. Z-7635 Hall Estill, Stuart Van De Wiele (CD 7) Location: Southwest of the southwest corner of East 71st Street South and South 101st East Avenue requesting rezoning from **OMH to CH** to permit indoor vehicle sales(Related to PUD-498-E)**

STAFF RECOMMENDATION:

SECTION I: Z-7635

DEVELOPMENT CONCEPT: The applicant is proposing to rezone the subject lot from OMH to CH to permit indoor car sales in conjunction with a Major Amendment to the PUD.

The site is located in the Regional Center designation of the City of Tulsa Comprehensive Plan. The proposed CH zoning and proposed use of the subject lot would be compatible with this designation. The rezoning to CH is required so that the underlying zoning of the site would allow the proposed use to be added via the proposed Major Amendment.

DETAILED STAFF RECOMMENDATION:

Requested CH zoning is consistent with the Regional Center vision of the Tulsa Comprehensive Plan and,

CH zoning is consistent with the expected development of surrounding properties and,

Uses allowed by CH zoning are non-injurious to proximate properties therefore,

Staff recommends Approval of Z-7635 to rezone property from OMH to CH but only with the related provisions of PUD-498-E.

- 6. PUD-267-A Lou Reynolds** (CD 8) Location: Southeast corner of South Sheridan Road and East 101st Street South requesting a **PUD Major Amendment** to add Bar and Small Indoor Assembly and Entertainment serving alcoholic beverages to allowable uses

STAFF RECOMMENDATION:
SECTION I: PUD-267-A

DEVELOPMENT CONCEPT: The applicant is proposing to add Bar and Small Indoor Assembly and Entertainment serving alcoholic beverages to the permitted uses within PUD-267. The current development standards of the PUD limit uses to uses permitted by as a matter of right in the CS – Commercial Shopping Center district, except that multifamily dwellings and bars, taverns and private clubs having as their principal activity the dispensing and consumption of alcoholic beverages shall not be permitted. This major amendment would serve to revise those requirements to Uses permitted as a matter of right in the CS – Commercial Shopping Center district and Bar and Assembly and Entertainment (Small Indoor) selling and serving alcoholic beverages Shall be permitted by right. Multifamily dwellings shall not be permitted.

The location of a bar would be restricted and would not be allowed in the east 125 feet of the PUD, provided however that the foregoing shall not prohibit beer and wine sales as an accessory use to a business such as a restaurant, spa, salon, or barber shop, etc.

DETAILED STAFF RECOMMENDATION:

PUD-267-A is consistent with the Neighborhood Center vision of the Tulsa Comprehensive Plan and,

PUD-267-A is consistent with the expected development of surrounding properties and,

All remaining development standards defined in PUD-267 and subsequent amendments shall remain in effect, therefore,

Staff recommends Approval of PUD-267-A to revise the permitted uses to add Bar and Small Indoor Assembly and Entertainment serving alcoholic beverages and to prohibit bars in the east 125 feet of the PUD.

SECTION II: Supporting Documentation

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

Staff Summary: The site is located within the Neighborhood Center designation of the City of Tulsa Comprehensive Plan.

Land Use Vision:

Land Use Plan map designation: Neighborhood Center

Neighborhood Centers are small-scale, one to three story mixed-use areas intended to serve nearby neighborhoods with retail, dining, and services. The applicant indicated his agreement with staff's recommendation.

There were no interested parties wishing to speak.

TMAPC Comments:

Mr. Craddock asked why the staff recommendation was to prohibit bars in the east 125 feet of the PUD.

Staff stated the applicant had a public meeting with some of the neighbors and property owners in the area and that restriction was a result of that meeting.

Mr. Craddock asked if a use has ever been that specific when limiting it within an area.

Staff stated there are past PUD's that are that specific.

Applicant Comments:

Lou Reynolds 2727 East 21st Street, Suite 200 Tulsa, OK 74114

The applicant stated his client owns the Village Shopping Center at the southeast corner of a 101st Street and South Sheridan. He stated the subject property is about an eight acre tract of land with improvements in three buildings. The applicant stated on page 6.8 of the agenda packet it shows the eight acre tract with CS zoning and around the corner there is multifamily zoning which was a typical PUD for 1981. He stated this PUD has unusual setbacks. The applicant stated the setbacks along the east and south boundary are unusually far from the residential property to the south. He stated the south boundary setback is 55 feet and 100 feet and the east boundary is a 50 foot setback that's actually built to 55 feet. Mr. Reynolds stated that development pattern isn't seen much anymore and

has not been seen in the last 30 or so years. He stated a neighborhood meeting was held and they also sent out letters to neighbors. Mr. Reynolds stated there was about 16 people at the meeting and one of the comments that came out of that meeting was to restrict along that east boundary to prevent the east building from being used for a bar. He stated that's what the neighbors asked them to do and the applicant didn't have a problem with that restriction.

Mr. Craddock stated he assumes this type of past setbacks was done by negotiation with the neighbors or the Planning Commission at the time. This proposal makes it better for the neighborhood because the buildings are further away from the residence.

Interested Parties:

Sam Roop 10533 South 71st East Avenue, Tulsa, OK

Mr. Roop stated he objects to a Major Amendment. He stated normally by right this would not be allowed. Mr. Roop stated this proposal is for a bar with entertainment and that usually means amplifiers will be present. He stated if you don't live in that particular neighborhood, you won't understand the way sound carries there. Mr. Roop stated the adjacent neighbors are RS-3 but in that square mile there are RS-2 neighbors and RE size homes. He stated normally this neighborhood is very quiet and he doesn't believe that this development is in character of this particular neighborhood. Mr. Roop stated if Planning Commission does approve this application he would request the sound requirements for this particular PUD be tightened up. He stated for this particular use the normal decibel is 65 DB and he would ask for 43 DB. Mr. Roop stated his reasoning for that is according to Yale University, a normal suburban neighborhoods ambient noise is 40 DB but this isn't a suburban area they have deer in this area so he proposes 43 DB which would only be a little bit above normal ambient. He stated most of the activities of a bar with entertainment are going to occur at night after nine o'clock so he would request that Planning Commission make it a requirement to soundproof the interior to at least 43 DB which would be reasonable for this neighborhood.

The applicant stated he wanted to reiterate the existing setbacks, existing buildings, and mention these are masonry buildings. He stated he doesn't think there's an issue for soundproofing. He stated the vast majority of the people that showed up at the meeting to discuss this project supported it.

Mr. Craddock asked if there were other similar establishments within that same corridor.

The applicant stated "yes", across the street, there is a Louie's Bar and Grill but it is a standalone building. He stated they do a good business and there's not been any issues.

Mr. Zalk asked when you say that the neighbors were in support, where they actively in support or did they just not have a problem with it.

The applicant stated some were actively in support and some decided they could accept it.

Mr. Zalk asked how they expressed their support.

The applicant stated they are happy to have a bar in the area and think it's a benefit that they can walk to it.

STAFF RECOMMENDATION:

SECTION I: PUD-360-G

DEVELOPMENT CONCEPT: The applicant is proposing a Major Amendment to the PUD in conjunction with rezoning from RM-0/CS to CS to add Medical Marijuana Dispensary and Retail Sales uses to the permitted uses within Development Area 2-B of the PUD.

The current permitted uses for Development Area 2-B are those as permitted in the CS district, except within the west 200 feet which shall be restricted to Use Units 11 – Offices, Studios and Support Services and Use Unit 14 – Shopping Goods and Services, which the proposed Medical Marijuana Dispensary and some uses included in the Retail Sales uses of the current zoning code would not fall under. The proposed amendment would allow the previously approved uses as well as Medical Marijuana Dispensary use and those included in the Retail Sales use within 200 feet of the western boundary within Development Area 2-B.

DETAILED STAFF RECOMMENDATION:

PUD-360-G is consistent with the Town Center vision of the Tulsa Comprehensive Plan and,

PUD-360-G is consistent with the expected development of surrounding properties and,

All remaining development standards defined in PUD-360 and subsequent amendments shall remain in effect, therefore,

Staff recommends Approval of PUD-360-G to add Medical Marijuana Dispensary and Retail Sales uses to the permitted uses of Development Area 2-B.

RELATIONSHIP TO THE COMPREHENSIVE PLAN:

Staff Summary: The site is designated as Town Center in the City of Tulsa Comprehensive Plan

Land Use Vision:

Land Use Plan map designation: Town Center

Town Centers are medium-scale, one to five story mixed-use areas intended to serve a larger area of neighborhoods than Neighborhood Centers, with retail, dining, and services and employment. They can include apartments, condominiums, and townhouses with small lot single family homes at the edges. A Town Center also may contain offices that employ nearby residents. Town centers also serve as the main transit hub for surrounding neighborhoods and can include plazas and squares for markets and events. These are pedestrian-oriented centers designed so visitors can park once and walk to number of destinations.

Areas of Stability and Growth designation: Area of Growth

The purpose of Areas of Growth is to direct the allocation of resources and channel growth to where it will be beneficial and can best improve access to jobs, housing, and services with fewer and shorter auto trips. Areas of Growth are parts of the City where general agreement exists that development or redevelopment is beneficial.

STAFF RECOMMENDATION:

SECTION I: Z-7637

DEVELOPMENT CONCEPT: The applicant is proposing to rezone the subject lot from RM-0/CS to CS in conjunction with a Major Amendment to the PUD to

permit a Medical Marijuana Dispensary as well as Retail Sales uses in Development Area 2-B.

The site is located in the Town Center designation of the City of Tulsa Comprehensive Plan. The proposed CS zoning and addition of uses would be compatible with this designation. The rezoning to CS is required so that the underlying zoning of the site would allow the proposed uses to be added via the proposed Major Amendment.

DETAILED STAFF RECOMMENDATION:

Requested CS zoning is consistent with the Town Center vision of the Tulsa Comprehensive Plan and,

CS zoning is consistent with the expected development of surrounding properties and,

Uses allowed by CS zoning are non-injurious to proximate properties therefore,

Staff recommends Approval of Z-7637 to rezone property from RM-0 and CS to CS.

TMAPC Comments:

Mr. Craddock asked if staff knew the frontage on the subject lot.

Staff stated “no”.

Mr. Craddock stated he was curious where the 200 foot Retail Sales use boundary would be.

Staff stated it was approximately the west quarter of the building.

Applicant Comments:

Ryan Kuzmic 1602 South Main Street, Tulsa OK 74119

Mr. Kuzmic stated he agreed with staff recommendation. He stated he was the Zoning director for Viridian Legal Services and they represent the applicant The Bodega Boys. Mr. Kuzmic stated this was a shopping center that was created in 1970 and a PUD was imposed around 1989. He stated since 1989 there has been six major amendments approved on the subject property. Mr. Kuzmic stated he thought it fair to say that probably all six or certainly most of those six major amendments since that time have basically been expanding that use to what would basically be a uniform CS. He stated on page 7.10 of the agenda packet it shows the way that this plat has been cut into different sections and different sections have been affected differently. Mr. Kuzmic stated Brook Bar and Grill which serves alcohol and Billy Sims are both in the building and are open until about nine o'clock each night. He stated his client's normal operating

hours would be 10am to 9pm. Mr. Kuzmic stated his clients have another store that has been open about a year on Lewis Avenue with no issues. He stated another store was approved on Sheridan Road that has not opened yet. Mr. Kuzmic stated in his opinion he believes the City's preference may be that this entire shopping center be rezoned to CS because of the way that it has developed over time.

The applicant indicated his agreement with staff's recommendation.

STAFF RECOMMENDATION:

SECTION I: PUD-470-B

DEVELOPMENT CONCEPT: The applicant is proposing to abandon PUD-470, in conjunction with rezoning the lot from OM/AG to CS to permit a convenience store with fuel sales. The proposed use would be allowable by right in the CS district if the zoning is approved. A major amendment is required whenever a PUD or portion of a PUD is proposed to be abandoned. This proposal would abandon a portion of PUD-470, with the remainder of PUD-470, located south of the subject lot to remain.

DETAILED STAFF RECOMMENDATION:

PUD-470-B is consistent with the Regional Center vision of the Tulsa Comprehensive Plan and,

PUD-470-B is consistent with the expected development of surrounding properties and,

All remaining development standards defined in PUD-470 and subsequent amendments shall remain in effect for the portions of the PUD not being abandoned, therefore,

Staff recommends Approval of PUD-470-B to abandon the PUD as proposed.

11. **Kum & Go 2362** (CD 7) Preliminary Plat, Location: Southeast corner of East 66th Street South and South Memorial Drive (Related to PUD-470-B and Z-7524)

STAFF RECOMMENDATION:

Kum & Go 2362 - (CD 7)

Southeast corner of East 66th Street South and South Memorial Drive

This plat consists of 1 lot, 1 block on 1.36 ± acres.

The Technical Advisory Committee (TAC) met on January 6, 2022 and provided the following conditions:

1. **Zoning:** Property is currently zoned OL with a Planned Unit Development (PUD-470). There is a pending rezoning request (Z-7524) and associated PUD Major amendment (PUD-470-B) to rezone the property to CS (Commercial – Shopping) and remove it from the PUD. Rezoning must be approved and effective prior to final plat approval.
2. **Addressing:** City of Tulsa addresses and street names must be assigned and affixed to the face of the final plat.
3. **Transportation & Traffic:** Sidewalks, ADA ramps, and driveways require approval of a right-of-way permit by the City of Tulsa. Update limits of no access and access areas of the plat to reflect final approved locations. Label and dimension all right-of-way areas with recording information or indicate dedications being made by plat.
4. **Sewer/Water:** Site is served by an existing City of Tulsa sanitary sewer and water. Provide book and page for existing water line easement.
6. **Engineering Graphics:** Submit a subdivision control data sheet with the final plat. Add “State of” before Oklahoma in the plat subtitle. Add contact information and CA number for project engineer and surveyor. In the location map, label all platted boundaries in the section and label all other property as “unplatted”. Label the plat location as “project location” or “site”. Under the basis of bearing information, include the coordinate system used. Provide a bearing angle shown on the face of the plat. Graphically label the point of beginning (POB) on the face of the plat. Add signature block for City officials.
8. **Stormwater, Drainage, & Floodplain:** If stormwater system improvements are required, IDP must be approved prior to approval of a final plat. Closure of existing storm sewer easement must be processed and approved through the City of Tulsa Utility Coordination Department.

9. **Utilities: Telephone, Electric, Gas, Cable, Pipeline, Others:**
All utilities indicated to serve the site must provide a release prior to final plat approval. Provide a Certificate of Records Search from the Oklahoma Corporation Commission to verify no oil & gas activity on the site.

Staff recommends **APPROVAL** of the preliminary subdivision plat subject to the conditions provided by TAC and all other requirements of the Subdivision and Development Regulations. Final plat release from the City of Tulsa is required prior to final plat approval.

The applicant indicated his agreement with staff's recommendation.

There were no interested parties wishing to speak.

COMPREHENSIVE PLAN CONFORMANCE

12. TMAPC consideration of adoption of Resolution No. 2858:1035 finding the **Route 66 Bus Rapid Transit (BRT) Land Use Framework** in conformance with the Tulsa Comprehensive Plan

STAFF RECOMMENDATION:

Item

TMAPC consideration of adoption of Resolution No. 2858:1035 finding the Route 66 Bus Rapid Transit (BRT) Land Use Framework in conformance with the Tulsa Comprehensive Plan

Background

The Tulsa Planning Office completed a land use study for land surrounding future transit station areas located along the Route 66 BRT corridor. The study evaluated the properties along the length of 11th Street between S. Peoria Ave. and S. Garnett Rd., along S. Garnett Rd. between 11th Street and 21st Street, and 21st Street between S. Garnett Rd. and 145th E. Ave. and recommends land use and zoning changes that can maximize economic development activity. The study addresses which land uses provide the most successful outcomes for private properties that border the BRT alignment.

Tulsa Planning Office staff presented an update on the land use study at an August 18, 2021 work session of the Planning Commission. The Route 66 Bus Rapid Transit (BRT) Land Use Framework (see attached) is considered a functional plan and falls under the category of “other types of plans, studies and initiatives” in the TMAPC Policies and Procedures, which requires that the plan be reviewed for conformance with the Tulsa Comprehensive Plan. Following this action, the City Council will be asked to concur with the finding of conformance.

Comprehensive Plan Conformance

The Tulsa Comprehensive Plan (PlaniTulsa) contains priorities, goals and policies supporting a variety of transportation options (including bus rapid transit) and the need to create walkable, higher density development within walking distance of transit (see attached for Comprehensive Plan references). The Route 66 Bus Rapid Transit (BRT) Land Use Framework contains specific land use and zoning recommendations designed to achieve these concepts outlined in the Comprehensive Plan. The land use framework will provide guidance as public improvements are made and private properties develop along the Route 66 BRT corridor. The land use recommendations for mixed use development, specifically through utilization of the mixed-use zoning tool in the City of Tulsa Zoning Code, will implement the Comprehensive Plan’s direction on transit-oriented development. Staff finds that based on the above, the Route 66 Bus Rapid Transit (BRT) Land Use Framework is in conformance with the Tulsa Comprehensive Plan.

Staff Recommendation

Adopt a resolution finding the Route 66 Bus Rapid Transit (BRT) Land Use Framework in conformance with the Tulsa Comprehensive Plan.

TMAPC Comments:

Mr. Zalk asked if there were any objections from local businesses.

Staff stated “no” the framework sets up the rezoning program, which is voluntary, so staff would be promoting it and encouraging people to pursue it.

Mr. Shivel stated he is delighted to see the progress on this it will be great for the city.

Ms. Bayles stated she would like to applaud the other incentives as well. This is something that every business owner should and could be taking advantage of to improve that district along the 11th Street corridor.
