STAFF COMMENTS:

The applicant is requesting a **Verification** of the 1,000 spacing requirements for a medical marijuana dispensary from another medical marijuana dispensary (Section 40.225-D)

40.225-D A medical marijuana dispensary may not be located within 1,000 feet of another medical marijuana dispensary.

40.225-I The separation distance required under Section 40.225-D must be measured in a straight line between the nearest perimeter walls of the buildings (or portion of the building, in the case of a multiple-tenant building) occupied by the dispensaries. The separation required under Section 40.225-D shall not be applied to limit the location of a medical marijuana dispensary for which a license was issued by the Oklahoma State Department of Health prior to December 1, 2018 for the particular location.

The applicant provided the nearest dispensary as Red Eye 420, located 1525 S. Sheridan Road, which is 3,046.81' away.

SAMPLE MOTION:

I move that based upon the facts in this matter as they presently exist, we (**accept/reject**) the applicant's verification of spacing to permit a medical marijuana dispensary subject to the action of the Board being void should another medical marijuana dispensary be established prior to the establishment of this medical marijuana dispensary.
