Subject: Case Number: BOA-22936

My name is Lauri Lenora, and I live at 2506 E. 56th Place, in Tulsa. I'm writing in regards to Case Number: BOA-22936. I am not only a close neighbor of this address, but also practice Real Estate part time w/ Keller Williams Advantage.

I am in full support of the ROBERTS proposed improvements. This will add value to his home, and this will increase property values for the entire neighborhood. The drawing shows an attractive addition that will help beautify this neighborhood.

As this is an older Tulsa midtown neighborhood, I welcome neighbors working to improve the quality of their homes, which improves the quality of the entire neighborhood - which this home improvement certainly will do.

If I can help in any way to answer more questions, please let me know.
