To whom it may concern,

Good day. My name is Charles Easiley. I live next door to Mr. Gregorio Torres @ 12154 E. 35<sup>th</sup> St. I'm not able to attend Board meeting, I might be able to attend online. But if I can't We wanted to show Our support for The driveway next to Our home that Mr. Torres has done. My Wife(Theresa) & I both feel it has been an added beautification to the yard and street. Many of the Right-of- ways on the block is in need of updating .We feel in no way shape or fashion, does it affect Our Home negatively. Since Mr. Torres has lived there with His Family. He has been a great asset to the block and Us. He has worked on many great improvements to His home. Both My Wife and I are not able to cut Our yard, due to health reasons anymore. Mr. Torres cuts His and Our yard every week. He has never asked for anything back. He's a hard worker and does everything He can for His family. We feel We are Blessed to have a neighbors like Him. Once again. We feel the work He has done makes everything greater.

Thank you.

Charles and Theresa Easiley
