Good Morning Austin,

We are scheduled to appear on the Board of Adjustment Agenda for this afternoon. We would like to request a 2 week continuance. On May 11, the matter was continued at an objecting party's request, Mr. Kevin Litz. We have since begun corresponding with Mr. Litz, and we remain hopeful that we can come to an agreement with his clients which will allow them to withdraw their objection.

Do we need to make that request in person at the hearing, or can we make it ahead of time by email?

Kind regards,

Ryan Kuzmic
