It was noted that Mr. Kroll's buslness conslsts primarlly of direct mall, approximately 10,000 pleces per month, and of some home contact with prospective customers. Mr. Nichols explalned that his cllent formerly conducted his buslness at a prevlous location, but has closed that offlce, and now has one personal secretary that works out of her home. He polnted out that the secretary does come to Mr. Kroll's home on occasion, but does not malntaln an office there. Mr. Nichols stated that his cllent currently has three Ilcensed agents that work out of their homes. Mr. Nichols polnted out that property to the east of the subject tract is zoned for offlce use. Photographs (Exhlblt A-3) were submltted.

## Comments and Questions:

Ms. Bradley Inquired as to the method of dellvery for the 10,000 pleces of mall, and Mr. Nichols Informed that his cllent contracts with a direct malling firm for bulk malling, and that the mall is not actually dellvered to the subject property.

Ms. Bradley remarked that the Home Occupation Guldellnes state that employees not llving at the home are not allowed in a home occupation, elther full-time or part-time. Mr. Nichols polnted out that the secretary does not offlce on the property, but rather organlzes the mall-outs for Mr. Kroll.

she does accounting for the firm and coordinates concerns with attorneys. Mr. Jackere asked If the Insurance agents visit Mr. Kroll's home, and the appllcant replled that they do come to the house occaslonally; however, only one of the three agents is active in the buslness at thls time.

## Protestants:

Harold Furtney, 6640 South Oxford, Tulsa, Oklahoma, stated that he Is the nearest nelghbor to the north of the subject tract, and polnted out that there are luxury homes in this area, with extra large lots. He asked that the Board deny the appllcation and allow 67th Street to remaln as a buffer between RS-3 and OL zoning. A letter of opposition and photographs (Exhlbit A-1) were submitted.

WIIIIam C. Johnson, 6150 East 67th Court, Tulsa, Oklahoma, submitted a letter from Code Enforcement (Exhlbit A-4) and a yellow page Ilsting (Exhlbit A-2) from the telephone directory. He Informed that he llves in the area and is concerned with malntalning property values. Mr. Johnson Informed that a letter from Code Enforcement on November 2, 1987 verlfled the fact that a business was operating on the premlses and stated that the owner was in the process of attempting to purchase property for relocation. He stated that the business has contlinued to operate untll this time and asked the Board to deny the application. It was noted by Mr. Johnson that it does not appear that the house is occupled as a residence, since there is no activity on the property after regular business hours. He stated that the phone at this address ls llsted under the name of GK and Assoclates and is answered with this name.

## AddItIonal Comments:

Mr. Quarles asked Mr. Nichols if there have been complalnts that caused thls appllcation to be flled, and he replled that Mr. Kroll has flled the application to allow hlm to operate legally from hls home.

Mr. Chappelle asked If the offlice at the previous location on Peorla is closed, and the appllcant replled that his cllent's lease explred on December 31, 1988.

There was discussion as to whether or not a business above and beyond a home occupation is already belng operated on the property, and Mr . Jackere noted that the Code requlres that no outside employees be allowed to work in a home occupation.

In response to Ms. White's question, Mr. Nichols stated that it has been several months since a large mall-out has occurred, and that the one active agent only visits the home on a personal basis, and would never need to go there for business purposes. He stated that the secretary will also discontlnue her visits to the Kroll property If required by the Board.

Mr. Jackere asked Mr. Johnson If he has ever called the telephone number for GK and Assoclates before 8:00 a.m., and he replled that he called there once before that time, and a glrl answered with the company name.

## Appllcant's Rebuttal:

The appllcant stated that his cllents telephone did ring at both the home and the business on Peorla when that offlce was open, so it would have been posslble for someone to answer the phone at that business location. He informed that the business was moved In 1987 from his cllent's home to the Peorla location, and he is now requesting that the Insurance portion of that operation be allowed to locate in hls home. Mr. Nichols stated that the photographs submitted by the protestant did not show an unusual amount of cars parked at the residence.

Mr. Chappelle asked Mr. Nichols why his cllent has a yellow page listing at his address for 1988 and 1989, and he replled that he was not aware of the listing.

Mr. Quarles stated that he might be able to support a "borderline" application in some Instances, but in this case, the business has yellow page advertising, is a falrly large Insurance and real estate firm and does not have the support of the nelghborhood. He stated that, due to these facts, he could not vote in favor of the appllcation.

Ms. Bradley and Mr. Chappelle agreed that the business is not a home occupation, as referred to In the Home Occupation Guldellnes.

Chris Nikel, 3717 South Memorlal, Tulsa, Oklahoma, stated that there Is an advertising sign on his property which was in place at the time of purchase. Mr. Nlckel stated that his annual lease with Donrey Sign Company has explred and he has negotlated wlth Mr. Stokley to lease the sign and Improve the sltuation.

## Conments and Questions:

Mr. Smith Inquired as to how long the sign has been on the subject tract, and Mr. Nikel stated that it was constructed 10 years ago.

Mr. Chappelle asked Mr. Nikel If he leases the advertising space to othér businesses, and he answered in the affirmative.

Case No. 15034 (contInued)
Mr. Jackere advised that, If the Board Is Incllned to approve the application, they should be aware that the varlance would probably extend beyond the time that nonconforming signs would be requlred to be removed. He polnted out that, without the varlance, the sign In question would only be permltted to remaln at thls location untll 1995.

Mr. Gardner explalned that two signs are affected In this situation, as there is another sign located on the west slde of Memorlal, approxImately 250 ' from Mr. Nikel's property. He explalned that the removal of the sign in question and the Installation of a new sign would cause the sign across the street to become the legal sign as to spacing. Mr. Gardner polnted out that, If the Board Is Incllned to allow the replacement by Mr . Stokley, with the Intent that the sign is to be removed in 1995, thls should be made a condition of approval. He noted that the approval of the appllcation, as requested and with no conditlons, would actually cause both signs to become legal and to remaln past the removal time in 1995.

Blll Stokley, 10111 East 45th Place, Tulsa, Oklahoma, Informed that the sign on Mr. Nikel's property was Installed prlor to the Installation of the sign across the street, and polnted out that the three-sided sign would not be allowed to remaln after 1995. He stated that an approval of this application would not extend permission to retaln the sign after 1995.

Mr. Gardner remarked that the ordlnance allows the owner of the three-sided sign across the street to modify the structure to a two-sided sign by complying with the Code.

Mr. Stokley stated that the owner of the property is agreeable to a condition which would allow the sign to remaln only untli 1995.

Mr. Smlth asked Mr. Stokley to state the duration of the lease wlth Mr . Nikel, and he replled that it ls renewed every five years.

Mr. Scott polnted out that his carport does not obstruct the vlew down the street, and complalned that numerous motor homes are allowed to park in nelghborhood drlveways, which do block the view. He stated that he does not have suffliclent space to construct a carport that would comply with Code requirements.

## Comments and Questions:

Mr. Jackere asked Mr. Moydell If the total amount of slgnage for the whole bullding is in compllance with the Code, and he answered in the afflrmative. Mr. Jackere Informed that he does not thlnk that the applicant is in need of the requested rellef from thls Board.

Mr. Moydell Informed that the SIgn and Graphlcs Board, under the direction of Ray Greene and Ed RIce, ls considering a new category for electric awnings which will allow 6 sq ft of awning for each foot of IIneal store front. Mr. Jackere asked the appllcant If he has been denled a slgn permit for the bullding, and he answered in the afflrmative.

Case No. 15040 (contInued)
After speaking with sign Inspector, JIm Garrlott, Mr. Jackere Informed that he is of the opinion that the Code on wall signs is belng Interpreted in a manner that is not consistent with the content of the Code. He Informed that the Code states that 3 sq ft of wall sign is allowed for every Ilneal foot of bullding wall to which it is attached. He suggested that the owner be notifled when a tenant makes application for a sign permit to Insure that the owner is aware of the proposed signage for each business.

Ms. Bradley asked Mr. Moydell If he is representing the owner of the bullding, and he replled that he ls representing the owner of Little Caesar's Plzza.

Al Blatz, owner of Little Caesar's Plzza, stated that he has a letter from the owner of the property whlch gives hlm permission to erect the sign.

Mr. Jackere noted that, slnce there are only two tenants in the bullding and both have slgns for thelr business, he can see no problem with thls application. He advised that the Staff person responsible for taking the inltlal application should verlfy that the person checklng the "square block" on the appllcation that is titled "Agent for Owner" is actually the agent for the owner of the property, and not the agent for the owner of the business.
