## Presentation:

The appllcant, Ted Milson, 3901 South Harvard, Tulsa, Oklahoma, submitted a plot plan (Exhibit $A-1$ ), and requested permission to allow an existing temporary greenhouse to remaln at its present location untll it can be moved to the rear of the property. He explained that the greenhouse is enclosed during the winter months; however, the sldes are removed during the summer months, and the structure becomes a covered open area for hanging plants and other greenery. Mr. WIIson stated that, after renoval of the temporary greenhouse, the exlsting canopy wlll be enclosed and used for a flower display room. in regard to parklng, the appllcant informed that he has recently cleared a portion of the lot that wlll add five additional spaces. He stated that ingress and egress to the property will also be changed, which will permit angle parking and improve traffic flow. Mr. Wilson pointed out that the existing canopy was In compllance with the Code at the time of construction, and there are other structures in the area that have similar setbacks. He requested that the greenhouse remaln at the present location for approximately one year.

## Additlonal Corments:

In response to Ms. White, Ms. Hubbard advised that the applicant wlll have sufficlent parkIng for the use after the proposed changes are completed.

Ms. White asked the applicant if the extent of his proposal, at this tIme, is to keep the greenhouse at lts current location for one year, and enclose the existing canopy. Mr. Wilson replled that he is requesting permission to enclose the canopy, and leave the greenhouse at the present slte untll the Spring of 1992.

Protestants: None.

## Case No. 15629

## Act Ion Requested:

An appeal from the declsion of an admlnistrative official determining a trucking business to be operating In an residentlally zoned district - Section 1605. NPFEALS FROM AN ADWINISTRATIVE OFFICIAL, located 120 East 35th Place.

## Presentation:

The appllcant, Edyln J. Hoffman, was represented by San Manipella, 3242 East 30th Place, Tulsa, Oklahoma. He stated that hls client ls not conducting a business from his residence, but does park a dump truck in his back yard when he is not worklng. Mr. Manipella explained that Mr. Hoffman obtains haullng Jobs by driving hls truck to varlous job sltes and belng avallable to haul materlals to other locations. He pointed out that the appllcant does not have a sign on hls truck and does not advertlse a business, but acqulres all haulling assignments by visiting various Job sites. Mr. Manipella submitted a photograph (Exhibit E-2) of Mr. Hoffman's residence. He pointed out that his cllent has constructed a screenlng fence around hls back yard, and only the top portion of the truck ls vislble from the street.

## Coments and Questlons:

Ms. White inquired as to the number of trucks owned by the appllcant, and Mr. Manipella stated that the applicant owns one truck.

Case No. 15629 (continued)
Ms. White asked if the dump truck has a tow bar, and Mr. Manlpella replled that the tow bar is attached to a pickup truck. Ms. White stated that three trucks were parked at the resldence when she vlewed the property.

In response to Ms. Bradley, Mr. Manlpella stated that Mr. Hoffman only has a residentlal telephone, with all buslness calls belng recelved at another locatlon.

Edvin J. Hoffean, 120 East 35th Place, Tulsa, Oklahoma, stated that he owns one truck, but his daughter owns other trucks that are occaslonally parked at hls residence.

LInda Burris, Code Enforcement, stated that she Inspected the property because of a complalnt that a trucking buslness was being operated from the home, and found a dump truck and a wench truck parked on the lot. She informed that the first inspection concerning the subject property resulted In the Issuance of a notlce requesting that Mr . Hoffman remove the parked car from the front yard. Ms. Burris stated that the driveway was extended to accommodate the car, and the flle was closed. She Informed that another complaint was recelved concerning the operation of a business at thls location and, after visiting the property, Inspector Candy Parnell found no evidence of a business and closed the file. Ms. Burris Informed that a third complaint concerning the subject property was recelved In October of 1990 and, at the time of Inspection, a dump truck was parked on the lot. She stated that the customary door notice was left at the residence, and a notlce (Exhlblt E-3) was malled to Mr. Hoffman, requesting that he cease any trucking operation that was belng conducted at thls location. She stated that Mr. Hoffman's attorney, Mr. Manlpella, notlfled her that a business was not belng operated from the home, and inquired as to what recourse hls cllent mlght have in thls matter. Ms. Burris Informed that her supervisor, Glorla Bybee, referred Mr. Manlpella to the Board of Adjustment.

In response to Ms. Bradley, Ms. Burris stated that heavy equlpment Is stored on the property, but she has not actually observed a business belng operated from the home. She polnted out that nelghbors have complalned that a buslness ls belng conducted on the property.

Mr. Jackere advlsed that Code Enforcement could have requested on the notlce that the applicant cease using the property for uses other than residentlal. He pointed out that parking a dump truck on residentlal property is not a use that is customarlly assoclated wlth residential uses.

## Protestants:

Ms. White Informed that Staff has recelved numerous letters (Exhlblt E-1) and phone calls from resldents that are opposed to the application.

Case No. 15629 (continued)
W. D. Peterson, 107 East 35th Place, Tulsa, Oklahoma, submitted photographs (Exhlblt E-2), and stated that the appllcant purchased the property in 1988 and inltlally parked the trucks on gravel, and later parked In front of the dwelling. Mr. Peterson polnted out that the houses In the area are approximately 181 apart, and there Is not sufficient space to park large equipment on the lots.

Demey Bartlett, 1208 East 26th Street, Tulsa, Oklahoma, stated that he is City Councllor for Councll District 9, and urged the Board to deny the applicant's appeal. He pointed out that the property in question is in an old, well established area, and asked the Board to preserve the integrity of the neighborhood.

Steve Schuller, 610 South Main, Tulsa, Oklahoma, Cochair for Plannling Dlstrict 6, stated that the Board has been supplled with evidence that a trucklng business is belng conducted on the property In question. He polnted out that the storage of trucks and other heavy equlpment is not conslstent with slngle-famlly residential use, and Is a violation of the Zoning Code.

JIm Taylor, 110 East 35th Place, Tulsa, Oklahoma, stated that the dump truck used by Mr. Hoffman ls actually the front portion of a tractor traller equlpped with a dump bed. He remarked that the large truck travelling the residentlal street could create a trafflc hazard for children playing in the neighborhood.

Kate Cushing, 135 East 35th Place, Tulsa, Oklahoma, stated that she has Ilved in her home approximately 40 years, and resents belng awakened each morning by the truck nolse.

Jane Carpenter, owner of the property at 134 East 35th Place, Informed that her house is 220' from Mr. Hoffman's lot, and that the trucking business ls not approprlate for the area.

David Dosser, 113 East 35th Place, Tulsa, Oklahoma, stated that the odor of the diesel fumes, truck repalr and welding is a nuisance to the surrounding neighbors.

Mr. Jackere asked Mr. Dosser if the applicant welds on the trucks, and he answered in the affirmatlve.

Jos Madden, 238 East 35th Place, Tulsa, Oklahoma, stated that chlidren ride blcycles in the street, as there are no sldewalks in the area, and he ls concerned with thelr safety.

David Dunnling, 232 East 35th Place, Tulsa, Oklahoma, stated that the quality of ilfe in the nelghborhood is in Jeopardy, and asked the Board to deny the appeal.

Jack Flynn, 917 East 36th Street, Tulsa, Oklahoma, stated that he lives directly behlnd the subject property, and the trucks in the back yard are several feet tal ler than the screenling fence.

Case No. 15629 (contlnued)
Connle Farrar, property owner at 212 East 35th Place, stated that she has spent a large amount of money to remodel her home, and the condition of the subject property is detrimental to the surrounding nelghborhood.

John Hargls, 944 East 36th Street, Tulsa, Oklahoma, pointed out that the Brookside area is a nice residentlal nelghborhood, and asked the Board to preserve It.

Candy Parnell, Code Enforcement, Informed that she inspected the property In 1989, and found two dump trucks and a tractor cab parked on the lot; however, her attempts to speak with Mr. Hoffman were unsuccessful, as he would not answer the door or respond to her letters. Ms. Parnell informed that she was attemptling to contact the applicant in regard to inoperable vehlcles parked on the property. She stated that her flle was closed when a certifled letter concerning the Issue was sent to Mr. Hoffman and the vehlcles were removed. She stated that the working distrlcts were changed and LInda Burris was then assigned to the area.

Ms. Whlte commended the Code Enforcement Department for their long-term efforts in followling up on the complaints surrounding this case.

## Applicant's Rebuttal:

Mr. Manipella polnted out that his cllent has done everything posslble to preserve the residential character of the nelghborhood. He stated that Linda Burris, Code Enforcement, did not find a business In operation when she Inspected the property, because Mr. Hoffman does not operate a buslness at thls location. He reiterated that the appllcant owns only one truck at thls time, whlch he parks on the rear portlon of the lot. Mr. Manlpella stated that Mr. Hoffman previously owned other vehlcles, but when he found this to be a problem for the area, they were sold. in response to Mr. Dosser's complalnt that the fumes are objectlonable, he polnted out that Mr. Hoffman's truck does not emlt more fumes than other trucks that drive on the nelghborhood streets. He requested that only objections relevant to the subject In questlon be considered.
Additional Comments:
Mr. Jackere advised that the Board should determlne If the storage of a truck used in a trucking business is an integral part of the business.

Mr. Bolzle stated that he finds the parklng of the truck on the lot an Integral part of the trucklng buslness.

## Board Actlon:

On MOTION of BOLZE, the Board voted 4-0-0 (Bolzle, Bradley, Chappelle, Whlte, "aye"; no "nays"; no "abstentlons"; Fuller, "absent") to UFAOLD the Decislon of an adminlstrative offlcial in determining a trucking business to be operating in an residentially zoned district - Section 1605. APPEALS FRON AN ADNINISTRATIVE OFFICIAL; finding that the storage of a truck used in a truckIng business is an integral part of the business, and is not accessory to a residentlal use; on the followling described property:

Case No. 15629 (continued)
Lot 4, Block 3, Rayvern Park Addition, Clty of Tulsa, Tulsa County, Oklahoma.

## Case Mo. 15631

## Act Ion Requested:

Speclal Exception to permit a Use Unit i7 (mlni-storage business) In a CS DIstrict - Section 701. PRINCIPAL USES PERNITIED IN OOMERCIAL DISTRICTS - Use Unit 17.

Special Exception to permit a slngle-famlly dwelling to be used as a manager's residence In a CS District - Sectlon 702. ACCESSORY USES PERMITIED IN COMERCIAL DISTRICTS - Use UnIt 17.

Special Exception to waive the screening wall or fence requirements along the lot IInes abutting R Dlstrlcts (north and west lot IInes) - Sectlon 1217.C.1 Use Conditions - Use Unit 17, located SE/c 127th East Avenue and East 40th Street South.

## Presentation:

The appllcant, JIm Schwers, 3032 South 136th East Avenue, Tulsa, Oklahoma, requested permission to construct a mlni-storage facility on the subject property, and to Install a six-foot chain llnk fence along the property Ilne, approximately 9 1/2' from the curb. He explained that the space between the bullding and the fence will be landscaped and vehlcle storage wlll be located in thls area. Mr. Schwers stated that a residence for the manager wlll also be constructed on the property.

## Conmants and Questions:

Ms. White stated that a solld wood screenlng fence would screen the residentlal area, and the appllcant asked If some type of coverlng could be Installed on a chain Ilnk fence. Ms. White polnted out that the purpose of the screening fence is to provide visual separation.

Mr. Jones commented that, In the past, walvers of screenlng requirements for mini-storage facllitles have been granted when the back of the bullding is located on the property llne. He polnted out that, In such instances, the bullding serves as a screenlng fence and buffers Inside nolse; however. In thls case the outside storage wlll be in full view of the apartment complex across the street.

Ms. White asked If the bullding can be moved closer to the property Ilne, and the appllcant polnted out that rellef from the Board would be required if the bullding is moved closer to the street.

Mr. Jones pointed out that Mr. Schwers could revise the plot plan, moving the bullding toward the street and placing the outside storage to the Interlor of the lot, and return for Board consideration. He suggested that the new plans be reviewed by the Bullding Inspector to assure that the appllcant has advertlsed for all requlred rellef.

Case No. 15631 (contlnued)
After discussion, It was the consensus of the Board that the business would be more compatible with the surrounding area If the plan was revlsed to move the bullding closer to the street, and locate the outside storage to the interlor portion of the property.
