Mr. Bolzle asked if the City rents the community center for various group activities, and Mr. Weller answered in the affirmative.

Ms. Abbott noted that she has observed a parking problem in the evening during scheduled basketball activities.

Case No. 17131

Action Requested:
Special Exception to permit a temporary revival from July 26, 1995 through August 27, 1995 - SECTION 701. PRINCIPAL USES PERMITTED IN COMMERCIAL DISTRICTS - Use Unit 2, located northwest corner 36th Street North and Hartford Avenue.

Presentation:
The applicant, Howard Small, 9705 South 93rd East Avenue, submitted a plot plan (Exhibit S-1) and requested permission to conduct a temporary tent revival at the above stated location. He informed that the revival will be conducted six days each week from 7 p.m. to 9 p.m., with no meeting on Thursday. Mr. Small advised that plans have been finalized for the use of the property and a 40' by 60' tent will be erected for the event.

Comments and Questions:
Ms Turnbo asked if activities will be conducted outside the tent, and Mr. Small replied that all services will be conducted inside the tent.

In reply to Mr. White, the applicant stated that he has the option to place the tent inside or outside the fenced area, however, his original plan was to erect the tent outside the fence for visibility purposes.

Ms. Turnbo inquired as to the location of rest rooms, and the applicant stated that portable facilities will be located on the grassy area in front of the tent.

Mr. Doverspike stated that the revival is more lengthy than those customarily approved by the Board, and Mr. Small stated that this type of evangelistic effort is usually conducted once a year.

Ms. Turnbo asked if the tent will be used during daytime hours, and the applicant stated that the tent will be closed and under surveillance during the day.

Protestants:
Maxine Johnson, 345 East 36th Place North, submitted a petition of opposition (Exhibit S-2) and advised that area residents are concerned with the noise and traffic that will be generated by the revival. Ms. Johnsen voiced an objection to portable toilets being placed along the street. She pointed out that one month is too long for the abutting residential neighborhood to contend with the inconvenience of this use.
Case No. 17131 (continued)

Interested Parties:

Melton Spriggs advised that he is supportive of the application and that the revival will be good for the community.

Ms. Roy Randall, 1420 North Frankfort, informed that she is a resident of the area and does not find that the revival will be noisier than loud radios played in passing vehicles. She stated that the proposed revival will be an asset to the community.

Fredine Manuel, Bethel Church, stated that the hours of operation will be compatible with the residential neighborhood and the revival will provide a wholesome activity for the residents of the area.

Applicant's Rebuttal:

Mr. Small informed that police constantly patrol the area and this positive influence in the neighborhood could help to reduce undesirable activities. He noted that noise produced by the revival will be minimal, because the only instrument used in the services will be an electric keyboard. The applicant stated that only one portable toilet is proposed, however, others can be added if the attendance exceeds their expectations.

Additional Comments:

Mr. White inquired as to the expected attendance for the services, and Mr. Small advised that 100 chairs have been rented and the attendance is not expected to exceed that number.

After discussion, it was the consensus of the Board that a one-month revival is longer than those previously approved.

Mr. Jackere noted that a similar temporary use was approved several years ago, and remarked that tents for temporary produce sales are frequently approved for 150 days.

Mr. Bolzle noted that turning the speakers to the north would direct the noise toward the interior of the lot.

Mr. Jackere asked if the tent will be closed, and Mr. Small stated that the sides will be raised during the meeting time.

Board Action:

On MOTION of ABBOTT, the Board voted 5-0-0 (Abbott, Bolzle, Doverspike, Turnbo, White, "aye"; no "nays"; no "abstentions"; none "absent") to APPROVE a Special Exception to permit a temporary revival from July 26, 1995 through August 27, 1995.
