The notice and agenda of said meeting were posted in the Office of the City Clerk on Monday, September 25, 1995, at 11:28 a.m., as well as in the Reception Area of the INCOG offices.

After declaring a quorum present, Chair Turnbo called the meeting to order at 1:00 p.m.

**MINUTES:**

On **MOTION** of **WHITE**, the Board voted 5-0-0 (Abbott, Bolzle, Doverspike, Turnbo, White, "aye"; no "nays"; no "abstentions"; none "absent") to **APPROVE** the minutes of September 12, 1995 (No. 688)

**Comments and Questions:**

Mr. Beach advised that **Case No. 17153** and **Case No. 17166** were continued to this date from the September 12th meeting, however, there was not sufficient time to advertise for additional relief. He noted that these items do not appear on the agenda and both cases will be readvertised and heard on October 10, 1995.

**UNFINISHED BUSINESS**

**Case No. 17159**

**Action Requested:**

Special Exception to permit a residence in a CS zoned district - **SECTION 701. PRINCIPAL USES PERMITTED IN COMMERCIAL DISTRICTS** - Use Unit 6, located 2621 North Boston Place.

**Presentation:**

The applicant, **Warren Morris**, 1918 East 51st Street, One East, requested that the application be continued to allow his client sufficient time to find an appropriate use for the large building (15,000 sq ft).

Case No. 17159 (continued)

**Comments and Questions:**

Mr. Jackere advised the applicant that, regardless of the use, his client will need a special exception to have his residence in the structure.

After discussion, Mr. Morris informed that he will proceed with the presentation.

The applicant stated that his client and his family have lived at this location for approximately four years. A floor plan (Exhibit A-1) and photographs (Exhibit A-2) were submitted.

Ms. Turnbo asked Mr. Morris if only his client's immediate family lives in the building, and he replied that his client lives in the building with his wife and children.

Mr. Doverspike asked if the building has only one story, and the applicant answered in the affirmative.

In reply to Ms. Abbott, Mr. Morris stated that the remainder of the building is vacant, but was originally used by his client to repair automobiles.

Mr. Jackere advised that the applicant's client requested residential use of the property at a previous hearing and that application was denied by the Board. He pointed out that the Board action was appealed to District Court and dismissed. Mr. Jackere advised that the Board should determine if this application is different from the previous request.

**Protestants:**

**Lottie Williams**, 2548 North Boston Place, informed that car painting was still being done on September 14, 1995, after the use was denied by the Board. She pointed out that the building in question was used for office purposes when she moved across the street. Ms. Williams pointed out that the building does not have windows and is inappropriate for residential use. She voiced a concern that the applicant will continue to repair automobiles if he is permitted to live in the building.

**John Smith**, 111 East 26th Place North, stated that he is opposed to residential use of the building.

Ms. Foster stated that she is a long-time resident of the area and requested that the Board deny the application and preserve the neighborhood. She objected to the fact that the application has been heard several times, which requires protestants to leave their workplace on all of these occasions.

**Applicant's Rebuttal:**

Mr. Morris stated that he filed the appeal improperly and the case was dismissed on a technicality rather than on the merits of the case. He pointed out that his client is in need of a place to live and requested that the Board permit the use at this location.

Case No. 17159 (continued)

**Additional Comments:**

Ms. Abbott stated that she was not supportive of the previous application because the Tulsa Building Code requires that a residential building have windows.

Ms. Turnbo stated that she finds the building inappropriate for residential use.

Mr. Bolzle noted that the Board has previously approved residential use on a property if it is in conjunction with the existing business (caretaker, security, etc.).

In response to Mr. Doverspike, Mr. Jackere advised that the Board must determine if the application reads the same as the previous application and is essentially the same, or if there have been significant changes in the area that would warrant reconsideration. He noted that it is the burden of the applicant to prove that the use will not be injurious to the neighborhood.

It was the consensus of the Board that this application is not significantly different from the previous application denied by the Board.

**Board Action:**

On **MOTION** of **DOVERSPIKE**, the Board voted 5-0-0 (Abbott, Bolzle, Doverspike, Turnbo, White, "aye"; no "nays"; no "abstentions"; none "absent") to **DENY** a **Special Exception** to permit a residence in a CS zoned district - **SECTION 701. PRINCIPAL USES PERMITTED IN COMMERCIAL DISTRICTS** - Use Unit 6; finding that the matter was ruled on at a previous meeting and there has been no change of circumstances that would warrant the granting of the special exception; on the following described property:

North 46' of the south 127' of Lot 1, Block 1, Amended Reid Addition to the City of Tulsa, Tulsa County, Oklahoma.

**NEW APPLICATIONS**

**Case No. 17169**

The applicant, **Rachel Zebrowski**, 320 South Boston, #1400, was represented by **Tom Camrud**, who informed that he is a friend of the property owner, **Tom Herman**, who is proposing to modify the front porch (Exhibit B-1) of an existing dwelling. He stated that there will be a small addition to the side of the porch, which will align with the existing structure. Photographs (Exhibit B-2) were submitted.

**Comments and Questions:**

In reply to Mr. Doverspike, Mr. Camrud stated that the addition will not extend closer to the street than the existing porch. He added that the house was constructed in 1928 on a very narrow lot and it does not comply with current setback or livability requirements.

**Interested Parties:**

Ms. Turnbo advised that seven letters of support (Exhibit B-3) were received .

**Board Action:**

On **MOTION** of **ABBOTT**, the Board voted 5-0-0 (Abbott, Bolzle, Doverspike, Turnbo, White, "aye"; no "nays"; no "abstentions"; none "absent") to **APPROVE** a **Variance** of the required front setback from 30' to 25', and a **variance** of the required livability space from 5000 sq ft to 3672 sq ft - **SECTION 403. Case No. 17178 (continued)

Ms. Turnbo asked if the church would be agreeable to the execution of a tie contract, preventing the sale of one lot without the others, and Mr. Miles answered in the affirmative.

**Protestants:**

None.

**Board Action:**

On **MOTION** of **BOLZLE**, the Board voted 5-0-0 (Abbott, Bolzle, Doverspike, Turnbo, White, "aye"; no "nays"; no "abstentions"; none "absent") to **APPROVE** a **Special Exception** to permit church use in an RS-3 zoned district - **SECTION 401. PRINCIPAL USES PERMITTED IN RESIDENTIAL DISTRICTS** - Use Unit 2; and a **variance** to permit required off-street parking to be on a lot other than the lot containing the principal use - **SECTION 1301.D. OFF-STREET PARKING AND OFF-STREET LOADING GENERAL REQUIREMENTS** - Use Unit 2; per plan submitted; subject to the execution of a tie contract; finding that the proposed parking area abuts an area currently reserved for parking; and finding that approval of the request will not be detrimental to the neighborhood, or violate the spirit, purpose or intent of the Code; on the following described property:

Lot 2, Block 1, Budd Addition, City of Tulsa, Tulsa County, Oklahoma.

**Case No. 17179**

**Action Requested:**

**Presentation:**

The applicant, **Bill Fleeman**, 2007 South 8th Street, Suite 1, was represented by **John Scott**, who stated that his client is proposing to purchase the subject property for automobile sales and was not aware that the use was not permitted by right. Mr. Scott stated that it was discovered at closing that Board of Adjustment approval would be required. He noted that, after conferring with Mr. Beach, it was also discovered that the application did not include a variance to permit outside storage of automobiles within 300' of a residential area.

**Comments and Questions:**

Mr. Bolzle asked Mr. Scott if a site plan is available, and he replied that he was not aware that a site plan was required.

Case No. 17179 (continued)

Mr. White asked if the exterior of the building will be altered, and Mr. Scott replied that the building will not be changed.

**Interested Parties:**

Ms. Turnbo advised that one letter of support (Exhibit D-1) was submitted.

**Presentation:**

The applicant, **Paula Matthews**, was represented by **Steve Matthews**, 1723 Union Street, Collinsville, Oklahoma, who informed that he had remodeled the front portion of the building and installed equipment for a beauty salon before he discovered that the use is not permitted by right in an IL zoned district. He stated that the use is compatible with the area and asked that the request be approved. A plot plan (Exhibit E-1) was submitted.

**Protestants:**

None.

**Comments and Questions:**

Mr. Bolzle stated that he would not be amenable to approving the use for the entire building and requested that the location of the salon be identified on the plot plan.

**Board Action:**

On **MOTION** of **WHITE**, the Board voted 5-0-0 (Abbott, Bolzle, Doverspike, Turnbo, White, "aye"; no "nays"; no "abstentions"; none "absent") to **APPROVE** a **Special Exception** to permit a tanning salon and beauty salon in an IL zoned district - **SECTION 901. He informed that his clients lighting and fan business is allowed by right and requested that the electrical contractor business also be permitted.

**Comments and Questions:**

Mr. Bolzle asked if there will be outside storage of materials or vehicles, and Mr. Dellavedova replied that there will be no outside storage on the property. He added that vacant property buffers the business from other uses in the area.

Mr. White noted that screening would be of no value, because the property is approximately 15' lower than the Broken Arrow Expressway.

**Protestants:**

None.

**Board Action:**

On **MOTION** of **BOLZLE**, the Board voted 5-0-0 (Abbott, Bolzle, Doverspike, Turnbo, White, "aye"; no "nays"; no "abstentions"; none "absent") to **APPROVE** a **Special Exception** to permit an electrical service contractor to be located in a CS zoned district - **SECTION 701 - PRINCIPAL USES PERMITTED IN COMMERCIAL DISTRICTS** - Use Unit 15; per plan submitted; subject to no outside storage of vehicles or materials; finding the use to be compatible with the area and in harmony with the spirit and intent of the Code; on the following described property:

**Protestants:**

None.

**Board Action:**

On **MOTION** of **BOLZLE**, the Board voted 5-0-0 (Abbott, Bolzle, Doverspike, Turnbo, White, "aye"; no "nays"; no "abstentions"; none "absent") to **APPROVE** a **Variance** of the setback from the centerline of 41st Street South from 100' to 60' to permit an addition to an existing building - **SECTION 703. **Presentation:**

The applicant, **Eric Weir**, 548 South 80th East Avenue, was not present.

**Board Action:**

On **MOTION** of **BOLZLE**, the Board voted 5-0-0 (Abbott, Bolzle, Doverspike, Turnbo, White, "aye"; no "nays"; no "abstentions"; none "absent") to **CONTINUE** Case No. 17187 to October 24, 1995.

**Case No. 17188**

**Action Requested:**

Variance of the required number off-street parking spaces from 9 spaces to 4 spaces - **SECTION 1213.D. CONVENIENCE GOODS AND SERVICES Off-Street Parking and Loading Requirements** - Use Unit 13, located 1612 East 15th Street.

**Presentation:**

The applicant, **Ronald Dean**, 1612 East 15th Street, was represented by **John Moody**, who submitted a plot plan and elevations (Exhibit L-1) and explained that his client is proposing to operate a flower shop on the ground floor of an existing apartment building. He informed that the owner will live in one apartment and the additional units will be rented. Mr. Moody noted that the legal nonconforming lot is narrow (40') and the older building to the west was constructed on the property line. He noted that an alley is located on the east boundary line and a parking lot for another use is in place on the south side of the property. It was noted by Mr. Moody, that there is no possibility of

Case No. 17188 (continued)

expansion in any direction to provide additional parking. He pointed out that the existing use is nonconforming and can remain; however, his client is proposing to renovate the exterior and interior of the building and upgrade the property. Letters of support (Exhibit L-4) and photographs (Exhibit L-2) were submitted. Mr. Moody advised that approximately 4 parking spaces are required for the apartment building and approximately 4 for the retail area (364 sq ft). He stated that an existing storage building to the rear of the property can be remodeled and 4 parking spaces can be provided in this area, which would increase on-site parking from 0 to 4 spaces. Mr. Moody pointed out that metered parking is available in front of the business, and noted that limited spaces are needed because 86% of the flower business consists of phone orders.

**Comments and Questions:**

Mr. Doverspike inquired as to the number of employees for the flower business, and Mr. Moody informed that the business will have 4 employees.

Mr. Bolzle inquired as to the use of the porches, and Mr. Moody stated that the porch on the first floor will remain as an open porch for wheelchair accessibility, but the second floor may be expanded to include the porch.

Mr. Gardner advised that the enclosing of the porch would move the building line closer to the street and require a variance of the setback requirement.

In reply to Mr. Jackere, Mr. Moody stated that the case report did not list previous actions on this property.

**Interested Parties:**

**Allen Elias**, informed that he is the property owner at 1559 & 1565 Swan Drive, and has had an office in the area near the subject property. He stated that he is supportive of the application.

**Protestants:**

**Jared Bruce** informed that he occupies the building to the west of the subject property and has been at that location for approximately 13 years. He pointed out that Mr. Dean purchased the property and was aware that there was no parking for the proposed use. Mr. Bruce asked that the application be denied.

Ms. Turnbo informed that a letter of protest (Exhibit L-3) was received from the property owner to the east.

Ms. Mallonee stated that she lives in the 1500 Block on Trenton, and that she is opposed to the encroachment of commercial uses into the residential neighborhood.

Case No. 17188 (continbued)

**Applicant's Rebuttal:**

Mr. Moody advised that his client has filed a previous application in regard to the subject property. He informed that the application was withdrawn because a tie contract would have been required. Mr. Moody pointed out that the subject property is boxed in and does not have parking, so any business operating at this location will need a variance of the parking requirement.

**Additional Comments:**

Ms. Abbott stated that she is supportive of the request.

Mr. Jackere noted that the application can be heard as a special exception and the determination can be made as to whether the use will be detrimental to the neighborhood.

Mr. Bolzle stated that he finds the hardship to be self-imposed if determined to be a variance and, if treated as a special exception, he finds the use to be inappropriate and injurious to the neighborhood.

Ms. Turnbo voiced a concern that customer parking would overflow into the residential neighborhood.

**Board Action:**

On **MOTION** of **BOLZLE**, the Board voted 4-1-0 (, Bolzle, Doverspike, Turnbo, White, "aye"; Abbott, "nay"; no "abstentions"; none "absent") to **DENY** a Special Exception to reduce the number of required off-street parking spaces from 9 spaces to 4 spaces - **SECTION 1213.D. CONVENIENCE GOODS AND SERVICES Off-Street Parking and Loading Requirements** - Use Unit 13; finding that the proposed use has insufficient parking; and finding that approval of the request would be injurious to the neighborhood and violate the spirit and intent of the Code; on the following described property:

East 40' of Lots 15 and 16, Block 3, Orcutt Addition, City of Tulsa, Tulsa County, Oklahoma.

**Case No. 17189 -**

**Action Requested:**

Special Exception to permit a courtyard wall in the required front yard to exceed the maximum height from 4' to 5'6" - **SECTION 210.B.3. Permitted Obstructions in Required Yards** - Use Unit 6, located 3311 East 109th Street South.

Case No. 17189 (continued)

**Presentation:**

The applicant, **Randy Branstetter**, 8190 East 44th Street, submitted a plot plan (Exhibit M-1) and stated that he is representing the owners of the subject property. He informed that a decorative stucco and wrought iron fence is proposed in the front yard of the dwelling. Mr. Branstetter pointed out that the wall and courtyard will be at the front of the residence, because of the drastic slope at the rear of the property

**Comments and Questions:**

Mr. Bolzle advised that he is supportive of the application, due to the cul-de-sac location.

**Protestants:**

None.

**Board Action:**

On **MOTION** of **BOLZLE**, the Board voted 4-0-1 (Abbott, Bolzle, Turnbo, White, "aye"; no "nays"; Doverspike, "abstaining"; none "absent") to **APPROVE** a **Special Exception** to permit a courtyard wall in the required front yard to exceed the maximum height from 4' to 5'6" - **SECTION 210.B.3. Permitted Obstructions in Required Yards** - Use Unit 6; per plan submitted; finding that the dwelling is located on a cul-de-sac and approval of the request will not be detrimental to the area; on the following described property:
