

HELLO, NEIGHBOR!

The City of Tulsa invites you to join the Neighborhood Conditions Index (NCI) Pilot Program. This program provides a series of monthly meetings to help Suburban Hills Neighborhood Association residents learn how to improve their neighborhood. Please join us!

Dates:

**2ND TUESDAY OF THE MONTH
JULY - FEBRUARY (EXCLUDING DECEMBER)
6 P.M.**

Location:

**TULSA DREAM CENTER
200 W. 46TH ST. N. | TULSA, OK**

Topics Include:

- **Loose Animals**
Learn from Animal Services about how you and your neighbors can reduce the number of loose animals in your neighborhood, how to secure beloved pets, and how to prevent loose animal problems from growing.
- **Reducing Traffic Speeds**
Partner with the City of Tulsa to assess street conditions and driving behavior in the neighborhood and advocate for measures to reduce traffic speed where possible.
- **Property Upkeep**
Learn about City property upkeep ordinances, share tips with neighbors, and learn how to organize neighborhood cleanup efforts in partnership with Code Enforcement.
