Access to Sidewalks

Communicate Your Neighborhood's Needs to the City

Your feedback matters and helps the City find ways to make Tulsa better.

Resource	Description
Tulsa 311 311 Tulsa311@cityoftulsa.org	Tulsa 311 is the main way to access City resources, request services, and report concerns. 311 is accessible by phone, email, online chat, and mobile app. For emergencies call 911. https://www.cityoftulsa.org/government/departments/customer-care-center/

Report Bicycling and Walking Conditions

Reporting bicycling and walking conditions throughout Tulsa informs the City of potential problems such as needed repairs, and opportunities for improvements and enhancements.

Resource	Description
AARP - Bike Audit Tool Kit Livable@AARP.org	AARP Bike Audit Tool Kit can be used by cycling advocates and local leaders to assess and improve the safety and accessibility of a community's streets and trails for all users, including cyclists. https://www.aarp.org/livable-communities/getting-around/aarp-bike-audit-tool-kit/
AARP - Walk Audit Tool Kit Livable@AARP.org	A Walk Audit is a simple walk through a specific area using a checklist to identify issues that make walking, riding a bicycle, or driving unsafe or uncomfortable. Residents can document and submit identified issues to the City of Tulsa for repair or improvement. https://www.aarp.org/livable-communities/getting-around/aarp-walk-audit-tool-kit.html
Bicycle/Pedestrian Advisory Committee 918-579-9427	The Tulsa Bicycle/Pedestrian Advisory Committee advises INCOG and the city governments in the INCOG area on projects, policies, and programs that improve and/or affect bicycling and pedestrian conditions in Tulsa. https://www.incog.org/Transportation/transportation_bpac.html
