Hi Jay,

Alan Betchan is still working on the engineering documents. We're told they are forthcoming but if we do not have them in time for your staff report, we would request an additional continuance to the 9/7 TMAPC meeting.

Sincerely,

Nathalie M. Cornett

Lou,

Dwayne had mentioned that he was looking for more details/illustrations on the tie backs for this minor amendment. I hadn't seen anything come through yet and Dwayne is out of the office this morning. We are finishing up the case reports for the 8/17 TMAPC meeting and I wanted to include any new information in the report if possible. If you have this information, can you forward it to me so that I can include it in the case report?

Thank you,

Jay Hoyt
