Kim,

Due to an incorrect sign posting, we will need to continue Z-7731 and CPA-105 to the August 2nd agenda.

Gentlemen:

My client sent me this picture of the notice today. As you can see, the request is backwards. It is currently RS-4/IL and we are going to CG. Can you confirm if the mailed notice has the same defect and when we can be heard on this case since we will at least have to repost signage? We would just as soon have the whole thing continued and have CPA 105 heard at the same time as well even if the notice for CPA-105 is not defective.
